## 24<sup>th</sup> Sunday of Ordinary Time September 13th, 2020

Dear friends:

As you know, I have been asking every family to take at least an hour per week of Adoration (prayer before the Holy Eucharist in church). Every day we have the privilege of visiting our Lord who is present in our parish church. Recently that privilege expanded to include Adoration daily from 6am to 9pm. The response of our parishioners and friends has been outstanding as we have maintained an almost perfect record of attendance. The response of the Lord has been even greater.

Many stories that have been related to me about beautiful graces flowing into the prayer, hearts and lives of those who come to adoration. The stories range from the remarkable to most consoling. The good Lord is never outdone in generosity. That is why the call to Adoration is not a call to help out the parish, but a call to come receive from the Lord Himself.

As schedules change with the opening of school, etc. we have had a rash of vacancies on the Adoration schedule. (see the next column) If your family is not officially on the schedule, please find a time that fits your weekly schedule and let us know – you are IN! Jesus is patiently waiting for your family to discover the wonders of His Presence in the Holy Eucharist.

The month of September has several Marian feast days: Holy Mary’s birthday, the feast of the Most Holy Name of Mary and the feast of Our Lady of Sorrows (15<sup>th</sup>). There is also the great feast of the Triumph of the Holy Cross (14<sup>th</sup>).

The Solemnity of the Archangels Michael, Raphael and Gabriel is this month! So, September 29th is our patronal feast day. In the past few years, we have had a parish picnic in the hall to celebrate our parish and mission and the loving guidance and protection offered by St. Michael. Those were always fun events for community building.

This year since our Parish Dinner could not be held in June, we are celebrating our Parish Feast Day with the annual fundraising dinner. I want to thank all of you who have been so instrumental in coordinating this event. Those who have volunteered to help with the dinner are much appreciated! We are going to have a lot of fun with our curbside hospitality.

*Christ our triumphant King, reign over us!*

### Adult Education Classes – Sept. 29

Are you or is someone you know interested in Catholicism? RCIA class (Rite of Christian Initiation of Adults) will begin September 29 at 6:30pm in the church hall. Even if you are not already decided about converting/returning to Catholicism, we encourage you to come. There is no pressure on those who attend; this is simply a chance to get more information about what it truly means to "be Catholic" and what we actually believe. Call the Parish Office (240)681-3551 to let us know you would like to participate, and/or for more information.

Sadly, our culture often pits a mother *against* her children, portraying a false "either/or" choice between her children and her dreams. Inaccurate messages spread the idea that a woman's life is "over" once she becomes a mother.

But we know that countless young mothers have become unexpectedly pregnant and have continued to pursue education. And arguably, they do so not in spite of their children, but *because of their children*. Even if things don't go exactly according to plan—timelines may shift, and dreams may change—the twists and turns can bring unexpected joy, purpose, and growth.

In The Gospel of Life, Pope St. John Paul II commends "brave mothers... who are ready to make any effort, to face any sacrifice, in order to pass on to [their children] the best of themselves" (EV 86). As members of the Body of Christ, we have a responsibility to help mothers do just that. And there are simple ways we can help mothers who desire to pursue educational achievements.

We can offer to babysit or do the grocery shopping, so a mom has time to attend an evening class or study for an exam. We can advocate for colleges and universities to provide flexibility for parenting students. We can do these and so many other things. Most importantly, we can pray for mothers to be given the grace and the support they need, and for the wisdom to know how we can help.
