

Cathedral~Rice Athletic Hall of Fame

Individual Nomination Sheet

NEXT INDUCTION WILL TAKE PLACE in October 2021

Nominations are accepted on a rolling basis until **May 14, 2021**

Contact Christy Bahrenburg, Director of Advancement at bahrenburg@rmhsvt.org with questions.

The selection process begins with soliciting suggestions for potential inductees from alumni, coaches, family and friends of Cathedral and Rice Memorial. Potential inductees must have graduated from either school in good standing, be graduated from Rice for at least 10 years and share our school's values of tradition, character and Christian ideals. Individuals closely associated with Rice/Cathedral, such as coaches or athletic boosters who are no longer working in that capacity at Rice, will also be considered.

The quality of "greatness" is key. Greatness can be defined as striving to be an outstanding athlete or coach or be of strong personal dedication. All suggested names are kept on the perpetual candidates' list and are reviewed each year. The committee looks hard at each inductee. It is always difficult to choose a small group from the many eligible candidates from the master list.
