EPARCHY OF EDMONTON

PARISH PASTORAL COUNCIL GUIDELINES

I. INTRODUCTION

1. Origin

The origin of the Parish Pastoral Council is in the same spirit as that of the Eparchial Pastoral Council, or simply Council, which stems primarily from the wish of the Fathers of the Second Vatican Council, who stated in their decree on the *Pastoral Office of Bishops in the Church*:

It is much to be desired that in every eparchy there should be established its own pastoral council. The eparchial bishop himself should preside over it; and specially selected clergy, religious and laity should play their part in it. The function of this council will be to examine those matters affecting pastoral activities, to assess them and put forward practical conclusions about them (*Christus Dominus*, no. 27).

Following the Second Vatican Council, the Congregation for Bishops issued a Directory for the Pastoral Ministry of Bishops, which called for the establishment of Parish Pastoral Councils like that of the Eparchial Pastoral Councils:

As regards effective organization for the work of caring for souls... the bishop shall consider that kind of parish best... in which the laity, according to the office given them, take part in the parish pastoral council and take charge of works of the apostolate proper to them.... (*Ecclesiae imago*, no. 179).

The creation of the Parish Pastoral Council is intended to give concrete expression to the principle enunciated in the Dogmatic Constitution on the Church that all members of the faithful, by reason of their baptism, have a part to play in the threefold mission of the Church, namely, to teach, to govern and to sanctify, each in accord with his or her respective role (cf. *Lumen gentium*, no. 33).

This new body within the eparchial structure is meant to give substance to the understanding of the shared responsibility of the people of God and to be representative of the local Church.

The *Code of Canons of the Eastern Churches* – promulgated in 1990 by Pope John Paul II to provide for the canonical discipline of the Eastern Catholic Churches – incorporates the conciliar directive into the general law of the Church and implements it canonically:

In the parish there are to be appropriate councils dealing with pastoral and financial matters, in accord with the norms of the particular law of its own Church *sui iuris*, [that is, the Ukrainian Catholic Church] (canon 295).

The canon, in effect, determines that the Parish Pastoral Council, like that of the Eparchial Pastoral Council is designed to study and to deliberate on pastoral matters and make practical suggestions for the benefit of the local parish, in particular, and for the Church, in general.

2. Nature

The Parish Pastoral Council, in accordance with the teaching of the Church, is a consultative body. It collaborates with the Pastor, who is entrusted by the Bishop with the care of the parish.

While the Pastor has the primary canonical and legal responsibility for both the spiritual and material care of the parish and its members, the Parish Pastoral Council is called and established to collaborate with the Pastor in carrying out the mission of the Church.

Through the Parish Pastoral Council's insights, expertise, and prudent advice, it assists the Pastor to identify, implement and evaluate pastoral initiatives, parish policies and decisions which are best suited to spreading the Gospel. It assists the Pastor in coordinating and unifying the parish, and concerns itself with overall parish pastoral development and goal setting.

In its booklet "The Parish Pastoral Council," the Canadian Conference of Catholic Bishops describes the nature of Parish Pastoral Councils as follows:

The parish pastoral council is an institution that brings together lay people and religious who, together with their pastors, work jointly to build the parish as a living Christian community. Thus parish pastoral council members care about parish life in other communities of the eparchy, share in the concerns of the Church universal, and strive to bring the Gospel message to all people and places in their neighbourhood.

Through reflection, planning, animation and action, the parish pastoral council is the place where those ministries or services are brought forth that are needed for the growth of a living parish community. Thus the parish pastoral council must carefully consider the needs of the faithful and search within the community for the means that will adequately respond to those needs (CCCB Concacan, Ottawa, 1984).

The booklet goes on to say:

This responsibility of the parish pastoral council does not take away from the continued mission and responsibility of the parish as a whole. Each baptized parish member remains responsible in his or her own way for the mission of the parish. In this way, the parish pastoral council is a means for implementing better the responsibilities of the whole parish community.

Therefore, the primary purpose of the Parish Pastoral Council is to reflect, plan, animate and act in support of the mission of the parish community.

3. Pastoral Character

As its name implies the Parish Pastoral Council is to focus on “pastoral” concerns. The Second Vatican Council placed *pastoral* at the heart of apostolic succession, designating that the *pastoral function* includes teaching, governing and sanctifying (cf. *Lumen gentium*, no. 22). Pastoral then is concerned with the fulfillment of the Church’s mission in the world, with the care of the people of God, and with the call to conversion to those who have not yet heard the gospel. In effect, a pastoral focus entails consideration of what it is to be Church in the world.

The pastoral activity of the Church is aimed at all groups of persons, overlooking no sector or class of those who are to be evangelized or catechized. It requires the cooperation and coordination of all apostolic labourers, namely, laity, religious and clergy. It calls for a concerted effort in all sectors of the apostolate: liturgical, catechetical, missionary, charitable, social, cultural, family and educational so that all the resources of the apostolate in an orderly fashion are brought together in a corporate activity that aims at promoting the well-being and advantage of the whole Eparchy.

Consequently, the Council is to occupy itself with and reflect on all those things which pertain to the Church’s life and ministry, which include:

- Promoting the perfection of Christian life, especially as this is realized in supporting spouses and parents, and fostering Christian family life;
- Sanctifying through divine worship, particularly the cultivation of a knowing and active participation in the divine praises as it is celebrated in the mysteries (sacraments) and other forms of public worship, especially the Divine Eucharist;
- Teaching the faith, as it is done specifically through the proclamation of the word of God, the instruction of persons in the truths of the faith and the offering of catechetical formation;
- Evangelizing, whether in the missions, in advancing Christian unity, or in particular concern for members of the Church who have fallen away from the practice of the faith;
- Fostering spiritual growth and love of neighbour, specifically as this is expressed in reaching out to and consoling the poor, the lonely, the afflicted, the sick and dying, those exiled from their homes, and any weighed down with heavy difficulties; and
- Animating the world with a Christian spirit, especially through the apostolate of charity and justice which is aimed at perfecting the temporal order.
- Dealing with financial matters as they affect the well-being of the parish.

4. Pastoral Reflection

As a group constituted to undertake an ongoing reflection on the pastoral direction of the parish, the Parish Pastoral Council is to examine and study all matters relative to pastoral activity, weighing them carefully and proposing practical steps to be taken.

They are to do so in order that whatever affects the needs of persons to be served by the parish may be realized. By its study and reflection, the Council is to provide the judgments necessary to enable the parish to plan its pastoral program systematically and to fulfill it effectively.

In pursuing its pastoral mandate, the Council is to consider the life and activity of the people of God, that is, to research the needs, the ideas, the hopes of the faithful, their actions and their accomplishments. It is to do so in consultation with persons, offices and commissions which specialize in the area under consideration.

The Council is to develop and recommend pastoral plans and direction through a careful process of inquiry and research, prayerful deliberation, mutual dialogue and shared wisdom, aiming at a common vision intended to benefit and build up the parish, and to promote the spread of the gospel.

In occupying itself with the multiple areas of the Church's pastoral activity, it is the task of the Council to cooperate in the ministry of governance by offering the Pastor and the parish the service of counsel flowing from the lived faith experience of the people of God in the local Church, which it represents.

Thus it is proper to the Council, in keeping with its particular character, to:

- Perceive a pastoral need;
- Study it with prayer and dialogue; and
- Propose to the Pastor and the parish a particular way to answer that need.

II. CHARACTERISTICS

1. Membership

The Parish Pastoral Council:

- consists of the Pastor and a leadership group called from and by the parish community
- is a ministry of service on behalf of and for the community
- is comprised of members who by their willingness to serve, have a moral responsibility and are accountable for the life and welfare of the community
- is accountable to the Pastor and to the parish community

Each baptized parish member shares in the responsibility for the mission of the parish. The responsibility of the Council is to develop and support the mission of the parish community.

The Parish Pastoral Council is most effective when:

- each member is a contributing parishioner
- each member actively supports the work of the Council
- each member is willing and able to share responsibility for the mission of the parish

Representation:

- Every effort must be made to have representation from a cross-section of the parish.
- There need not be a representative from every committee or group in the parish.
- The Parish Pastoral Council must provide appropriate representation to Regional Pastoral Council.
- It is recommended that the number serving on the Council be from 10-20 members. In smaller parishes the number could be 5-10 members.
- Assistant Pastors, Deacons, Religious Pastoral Associates also assist the Pastor in serving the parish community. Their duties may include both ministerial and administrative responsibilities. They have a vital role to play in the planning process for the parish community, and as such should be represented on the Council.

- prayer and reflection on the Word of God
- study of the teachings of the Church
- attentiveness to the Spirit through the events in daily life

Planning – Each year the prime responsibility of the Parish Pastoral Council is to plan for the spiritual growth and direction to be taken by the parish community.

Evaluation of the progress of Parish Pastoral Council and its projects.

2. Leadership

Parishes provide for a gathering of the people of God who in turn are called to share in the mission of Jesus Christ, that is:

- to proclaim the good news
- to worship
- to celebrate
- to serve
- to build up the community as defined and recognized by the Eparchy.

“To some, His ‘gift’ was that they should be apostles; to some prophets; to some, evangelists; to some, pastors and teachers; to knit God's holy people together for the work of service to build up the Body of Christ.” (Ephesians 4:11-12)

Parishes have the mission to call forth disciples of Christ and to bring Christ's reconciling healing and saving presence to the specific needs and concerns of the Church and the world today. Ministries are established formally and informally reflecting the needs, priorities and resources of the parish.

“For the Son of man himself came not to be served but to serve, and to give His life as a ransom for many.” (Mark 10:45)

Leadership is crucial for the success of the various ministries and has been defined as a commitment to enable others to see the dream more clearly and to somehow make it happen. Leadership has also been defined as a quality that provides vision and direction, deals with concepts, exercises faith, seeks to be effective, is an influence for good, and thrives on opportunity.

Parish Pastoral Council members must develop and train themselves in the leadership skills necessary to perpetuate God's work. A variety of leadership styles exist in the community on a continuum from Authoritarian, where the leader makes all the decisions to Democratic, where the leader works with other members to make decisions. Depending on the individuals involved and the task to be accomplished anyone of a variety of styles on the continuum could be effective.

Accountability and Stewardship

The Parish Pastoral Council empowers the entire parish community to fulfill its mission. It accomplishes this through reflection, discernment, planning, coordinating, animating, action and evaluation. The Council is accountable to the Pastor and the parish which it serves.

Stewardship is the taking on of responsibility for what is not owned. This is an appropriate role for the Parish Pastoral Council. As the steward's role combines decisiveness with accountability and is understood to be “guest authority.” The ultimate authority and

leadership for the church is exercised by Christ. The Council participates in that authority and leadership in as much as the members remain trustworthy, wise and faithful stewards.

The **three guiding principles** of accountability and stewardship are:

1. **Subsidiarity** - policies, issues, decisions and actions are dealt with at the appropriate level. Committee decisions should be made by the committee not the Parish Pastoral Council unless the decision will have consequences for the whole parish, then it should be made by the Council. For example, the Council should decide the date for the annual church picnic but the committee should decide on the food to be served etc.
2. **Co-responsibility** - those affected by the decision should help make it. This may involve:
 - a wider consultation and discernment process in the whole parish in decisions which will affect the overall direction and policy of the parish
 - including groups or individuals in the decision making process on policies which will have a direct impact on their ministry or role in the parish. e.g. involve schools, catechism teachers and parents in formation of parish guidelines regarding sacramental preparation of children.
3. **Empowerment** - people are empowered to minister when
 - their gifts and talents are recognized and called forth
 - they have adequate formation and training
 - there are clear expectations of them
 - they are given scope and authority to function effectively
 - they understand the task which has been entrusted to them and the terms of their mandate
 - they have a job description outlining the task, qualifications required, training provided, accountability and evaluation criteria

3. Executive

In the Parish Pastoral Council by-laws, the executive members for the Council are identified with their respective terms of office, the manner in which they were selected for the position, and their responsibilities.

Some basic responsibilities include the following, to which the parish may add:

Pastor

- attends and presides at all meeting of the Parish Pastoral Council as a representative of the Bishop of the Eparchy of Edmonton, but does not chair the meetings

4. Committees

Committees are the major working mechanism of the Parish Pastoral Council. The committees' effectiveness depends on how the Council carries out its **primary responsibilities**.

These responsibilities are:

1. to implement the priorities and goals of the Parish.
2. to enable and facilitate all parishioners to use their gifts and talents in service of the mission of the Church.
3. to maintain communication with all Eparchial agencies, commissions, committees etc. that pertain to their area of responsibility.

The parish is accountable to the Bishop. The Parish Pastoral Councils and the Regional Pastoral Councils serve as connecting links between the Eparchy and the parish, communicating and supporting the policies and programs of the Eparchy to the people of God. **The mission statement and goals of a parish should reflect the mission statement and the goals of the Eparchy of Edmonton.**

Types of Committees

Committees are of **three basic types**:

Standing - a committee deemed essential to fulfilling the continuing mission of the parish and responsible for coordination of various subcommittees. The finance committee is mandatory according to canon and civil law and Eparchial policy. A property management and maintenance committee is also mandatory in the Eparchy of Edmonton. Both committees are responsible to the Parish Pastoral Council.

Subcommittees - a group formed to provide or respond to a specific need or service. Liaison to Parish Pastoral Council is through the standing committee.

Ad Hoc - a committee formed temporarily by the Parish Pastoral Council to investigate and provide recommendations relating to a specific issue or task.

While in some parishes many of the responsibilities of the Parish Pastoral Council are carried out by the members of the Council itself, the following are examples of possible committees which may be of assistance to the parish. These are simply examples and need not all exist in every parish.

The committee consults with the relevant Eparchial Commissions.

Youth Committee

This committee is responsible for promoting "youth friendly" faith communities by promoting positive adolescent development, and growth in discipleship and Catholic identity. The Committee will seek to draw young people to responsible participation in the life, mission and work of the parish and community. The committee consults with the Eparchial Youth Commission.

Seniors Committee

This committee serves the spiritual and social needs of seniors. At the same time, it recognizes the gifts and wisdom of the elders of the community, and engages this valued experience in the overall parish pastoral plan.

Ecumenical and Interfaith Committee

This committee is responsible for promoting unity amongst Christians and a better understanding of other world religions through prayer, education, dialogue, action and fellowship. Activities might include participating in local events planned for Prayer for Christian Unity Week. The committee consults the Eparchial Ecumenical and Interfaith Relations Commission.

Vocations Committee

The members are responsible for coordinating the search for those in the parish whom God is calling to serve as sister, brother, deacon or priest. In collaboration with the Pastor and with the Eparchial Vocations Director, they organize the prayer for vocations and develop initiatives to help parishioners respond to a call to the priesthood, diaconate, and religious life.

Family Life/Social Committee

This committee is responsible for parish family recreational and social concerns and often works together with organizations in the parish, for example, the UCYC, UCWLC, UCBC and K of C. Actions by this committee could include activities such as minor fund raising, pot luck suppers, dances, parish picnic, coffee after Divine Liturgy, a trip to the Passion Play and home visits. The committee consults with the relevant Eparchial Commissions.

Finance Committee

A committee established under canon and civil law. Members are selected for their financial expertise. This committee develops budgets and strategies for the fiscal implementation of the parish goals and priorities.

Property Management and Maintenance Committee

As a committee mandated by the Eparchy, this committee ensures that there are regular inspections and maintenance and repair of church property. Any potential problems are identified and corrective action is planned. The committee manages rental and leases of parish property, and acts in an advisory capacity regarding the purchase and sale of property. The parish office has a copy of a maintenance checklist provided in the Eparchial Handbook.

Personnel Committee

This committee is involved in the selection of parish employees, for reviewing their work on a regular basis, being attentive to grievances, and ensuring that civil law and church teachings regarding employment standards are adhered to.

Nominating Committee

This committee has the responsibility, together with the Pastor, of presenting a slate of candidates for positions on the Parish Pastoral Council at the parish annual general meeting. In

proposing candidates, the committee should consider those individuals who understand the role of the Council and the talents which they bring to this ministry.

By-law Committee

This committee reviews the parish by-laws on a regular basis and brings to the attention of the Parish Pastoral Council any necessary amendments.

Chapters/Councils of National/International Organizations

Organizations in the parish like UCYC, UCWLC, UCBC and K of C are self-governing and self-sustaining. Where they are located, they serve the parish to fulfill the parish's mission, to provide supportive programs and to assist it financially.

Parish Finance Committee in particular

The *Code of Canons of the Eastern Churches* mandates a parish finance committee in each parish (canon 295), which has as its primary function to help the pastor in the administration of the goods of the parish.

The parish finance committee is governed by canon law, Eparchial statutes and guidelines, and civil law.

The pastor represents the parish in all its juridic affairs, both church and civil (canon 290, §1).

1. Nature of the Parish Finance Committee

Consultative – This committee is a consultative body of people who are skilled in financial administration. While the committee need not administer directly the day to day finances of the parish, it assists the Pastor who represents the parish in its financial and church affairs.

Advisory – While the committee is advisory in nature, its input must not be ignored nor should it be isolated from the Parish Pastoral Council, pastoral ministers or parish personnel. It is to work in collaboration with the Council in planning and administering the financial aspects of parish life.

Administrative and Planning – The committee's role is financial and administrative planning and related consultation. The role of the committee is distinct and separate from that of the Parish Pastoral Council, whose role is one of spiritual development, communication, goal-setting and planning.

Collaborate Liaison – A collaborative liaison between the Parish Pastoral Council and parish finance committee must be developed, for example, where the chairperson and one other member of the Parish Finance Committee are members of the Parish Pastoral Council.

2. Membership

The Parish Finance Committee **should consist of:**

- The Pastor
- 2-5 parishioners with financial background, who are not parish staff or immediate relatives of parish staff

Parish staff may report to the parish finance committee on occasion, but should not be committee members as conflict of interest may arise.

The members of the committee are to be **elected** at a general parish meeting and/or are to be **appointed** by the Pastor, keeping in mind the need for financial and administrative experience.

The committee members are to **serve for 1-5 years** as determined by the needs and resources of the parish. A process of rotation, replacement, re-appointments, and re-election is to be determined by the parish.

The committee members are bound to fulfill their duties in the name of the Church and in accord with the norm of law. Since such duties are to be carried out in the Church's name, they can be considered to be a form of apostolate. As an apostolate, those who share in these duties share by virtue of their baptism in the Church's royal mission, the mission of serving.

The members should have an attitude that may differ from that of persons entrusted with the administration of secular temporal goods. Their purpose is not primarily to make a profit but is to

provide resources for the pursuit of the Church's proper ends, such as the ordering of divine worship, providing decent support for the clergy and pastoral workers, and performing apostolic and charitable works, especially toward the needy. Thus the temptation to evaluate a situation simply by looking at a balance sheet is to be avoided.

At all times, the members are to carry out their responsibilities with an attitude of stewardship, maintaining the Church's trustworthiness and credibility.

- **Is subject to Eparchial policies and directives** which are issued by the Eparchial Finance Council.
- **Requires the permission of the Bishop** in acts of extraordinary administration.

5. Meetings

Meetings are necessary and may be conducted in a variety of styles. These include:

- formal
- informal
- scheduled
- called in response to an immediate need

All who attend meetings invest personal time, effort and talent. It is important therefore, to use every opportunity to inform, influence and inspire those in attendance.

Some basic suggestions for meetings:

- **Meet according to pre-set schedules and times**

Meeting dates should be set several months in advance.

- **Plan meetings in a cooperative manner**

Cooperatively planned meetings provide for shared responsibility, include agenda items of general interest, and create a collective ownership in achieving group results

- **Parish Pastoral Council meetings should include time for prayer**

Maintaining a prayerful climate at the opening and the close, with periodic reflection throughout the meeting encourages members to renew, sustain, and increase an ongoing awareness of the faith and mission that brings them together as a Parish Pastoral Council.

- **Prepare an agenda**

A carefully planned agenda, including prayer, allows everyone to examine all aspects of a meeting and prepare for each item. Agendas should be kept brief to avoid long meetings.

- **Help participants prepare for the meeting**

Copies of the agenda, previous meeting minutes or summaries, materials to be discussed, background information, data analysis, and committee reports should be made available prior to the meeting.

- **Start and end meetings on time and agree to procedures in advance of the meeting.**

The group should agree on working norms, processes and procedures prior to regular meetings or series of related meetings.

- **Keep presentation/committee reports brief**

Advise those reporting to briefly present the issue, note the need for action and then respond to questions. A brief written report will assist in this process.

- **Keep the last part of the agenda open**
 An open time near the end of the planned agenda allows for "other" emerging interests and for individual concerns from Parish Pastoral Council members.
- **Allow for participants to fully understand each issue addressed**
 Once members hear the issue, lead them toward closure using all the available resources. Monitor the quantity and the quality of input. Satisfaction flows naturally from accomplishment.
- **Keep focused**
 The chairperson has the responsibility of keeping to the agenda items.
- **Provide an appropriate working environment**
 Provide a comfortable meeting area - check meeting room for ventilation, temperature and lighting. Ensure that all members can hear what is being said.
- **Invite active participation from each one present**
 An indication of interest in the business of a meeting is discussion that includes everyone. Be sensitive to members who indicate a desire to become involved and actively invite feedback.
- **Avoid ambiguities**
 Frequently restate an issue being discussed. Seek and provide interpretation and clarification of all positions and invite feedback.
- **Be clear**
 Clarity assists listeners in understanding the message and reduces the need for clarification, revision and repetition.
- **Keep clear concise records of meetings**
 A record includes details about what actions and motions were taken, by whom, when, and the relevant circumstances. A copy of the minutes should be given to each Council member and should be kept on file for viewing by interested parishioners.
- **Periodically review meeting practices and procedures**
 Eliminate those practices and procedures that no longer serve a meaningful purpose.
- **Periodically evaluate meetings**
 Informal evaluation of meetings by participants helps identify and sharpen elements that improve the quality of meetings.
- **Annual Committee Reports**
 At year end each committee should submit a one-page report. The report should summarize the activities of the year and provide direction for the upcoming year. These reports could form an Annual Report to the Parish.

Types of Meetings

Each Parish Pastoral Council should plan the types of meetings best suited to its purpose. Some suggestions are:

- **Annual Goal-Setting and Community-Building Sessions**

These sessions usually take a minimum of one full day each year. Many Councils plan a whole weekend to complete both these sessions.

- **Regular Meetings**

Regular meetings are usually scheduled monthly for a two-three hour period. Councils should include a spiritual dimension along with the regular business of the meeting. Community-building events such as liturgies, mini-retreats, potluck suppers, and barbeques are important to Parish Pastoral Council development.

- **Regular Committee Meetings**

Regular committee meetings are essential to the effectiveness of the Council and the parish. Committees need adequate time to thoroughly study their respective areas of responsibility and then make recommendations to Parish Pastoral Council based on their study. Committees should meet once a month or as needed.

- **Annual Meeting of the Parish Community**

In addition to regular written reports to the parish community the Parish Pastoral Council is to schedule a general meeting of the parish community. At this meeting: a report of the Council's activities is given, including that of its various committees; the annual financial statements and budget are presented for approval; and elections are held for any positions whose term has expired. The Council then elicits from the parish community recommendations for goals, objectives and activities for the upcoming year.

Meeting Agenda

A thoughtfully prepared agenda is essential. As a general rule a copy of the agenda should be in the hands of all Council members well in advance of the meeting to allow for thought and reflection on the matters to be discussed.

The following is a suggested agenda format. The format should reflect the particular need of the style and kind of meeting to be held.

Style

- formal
- informal
- scheduled
- called in response to an immediate need

- Annual Goal-Setting and Community-Building Session

Annual General Meeting of the Parish

The Annual General Meeting of the parish should be held within two months after the end of the parish fiscal year, which allows time for:

- The Parish Pastoral Council to review the parish goals, objectives and activities for the past year and to prepare recommendations for the coming year.
- The parish committees and parish organizations to prepare written annual reports.
- The parish finance committee to prepare financial statements for the past fiscal year and to prepare a budget for the next fiscal year.
- The parish audit committee to audit the financial records of the parish for the past fiscal year.
- A nominating committee to prepare a slate of officers for election.
- The parish support staff to prepare and photocopy all reports and documents for distribution.

At least two weeks written notification, published consecutively in the parish bulletin, of the date, time and place of the Annual General Meeting must be given to the faithful of the parish.

The agenda for the Annual General Meetings should include:

1. Opening prayer
2. Selection of chairperson and secretary
3. Minutes of the last Annual General Meeting
4. Old business
5. Pastor's opening remarks
6. Parish Pastoral Council Chair's report

7. Reports from Parish Pastoral Council committees and parish organizations

10. Budget
11. Nominating Committee report

16. Adjournment

Decision Making

The Parish Pastoral Council may employ a variety of decision making procedures including deferring a decision to the Pastor via a recommendation.

Decisions have **two major aspects**:

- quality - the best way to accomplish the purpose
- acceptance - the degree to which members are committed to implementation

The best decision may or may not be the one which is most acceptable. Decisions can be made in several ways, most being effective within the proper context. The following are some different kinds of decisions and the advantages and disadvantages of each kind.

1. Executive Decision

An individual (e.g. Pastor) or a body (e.g. executive committee) has the responsibility to make the final decision. Consultation with other individuals and/or groups may be employed to varying degrees.

Advantages:

- useful for simple, routine decisions
- good when time is short or when group is unwilling or unable to make the decision, for example, lack skills
- used by Executive during the summer when Council quorum difficult to have

Disadvantages:

- a single person is not a good resource for every decision
- group interaction is lost
- no commitment to implementation by group members
- possible resentment or disagreement

2. Majority Vote

Parish Pastoral Council may vote on an issue accepting the decision of either a simple majority (over 50%) or a 2/3 majority.

Advantages:

- closes discussion on issue
- useful when total commitment to the implementation is not necessary

Disadvantages:

- may leave an alienated minority
- full commitment to implement is absent
- some group resources lost

3. Minority Decision

A minority decides for all. In contrast to executive decisions, this type of decision is often viewed negatively, and is considered “railroading.” People who should have been included in the process have either been bypassed or not given sufficient time and information to be involved in the decision.

Advantages:

- useful when only few have any relevant resources
- helpful when group wants to delegate responsibility to a committee

Disadvantages:

- does not use resources of whole group
- general commitment to implement decision may be missing

4. Parish Consultation

For decisions which will affect the whole parish (e.g. Divine Liturgy time changes). The Parish Pastoral Council may choose to survey the parish at large, or allow each parishioner to vote. The Council should make it clear regarding what is being asked of the parishioners. For example, do you want their opinion on the matter or do you want them to make a decision for action. All parishioners should be given sufficient opportunity to review the issue and to prepare to vote.

Advantages:

- closes discussion on issue
- useful when total commitment to the implementation is not necessary

Disadvantages:

- may leave an alienated minority
- full commitment to implement is absent
- some group resources lost

5. Consensus Decision Making

Parish Pastoral Council should not search for consensus unless:

- a matter is relevant to the whole community
- requires broad support for a decision to be successful
- is general enough so that non-specialists can competently judge it

Advantages:

- produces creative, high quality decisions more than compromise
- all members committed to implement the decision
- uses resources of all members
- useful for goal setting and problem solving

Disadvantages:

- takes lots of time and energy
- requires a high level of member skill
- time constraints must be minimal

“In coming to consensus, individuals do not agree for the sake of agreeing, for such commitment would be short lived. They agree because they truly see something of value in another's position or at least in part of another's view.” (Kiting, Charles, *Leadership Book*, revised, New York, NY, Paulist Press. 1982, pg. 68

“Group consensus means that every participant can buy into (live with) the decision; it does not mean that everyone believes the solution is the best, but that everyone is satisfied.” (Doily, Michael and Straus, David, *How to Make Meetings Work*, Jove Publications. 1986, p. 244)

Consensus decision making is best used in goal setting and problem solving situations where multiple factors come into play and several solutions or options are possible. For example, in a goal setting situation prioritizing a list of needs or formulating a series of objectives provides the opportunity for consensus decision making. People are encouraged to voice concerns, point out objections and shortcomings with the result being a clearer statement.

Consensus decision making can be a long process depending on the issue. One of the greatest obstacles to consensus and a source of frustration is attempting to reach a decision prematurely. Either not enough information is available to make a decision or not enough options have been generated.

Consensus decision making is not the same as compromise.

“Compromise implies that you are giving up something you believe is important.” *How to Make Meetings Work*, p. 245.

Consensus focuses on the process of decision making rather than the final results. It looks for solutions that will incorporate the important values held and will overcome any serious reservations.

6. Expert Decision Making - e.g. roof of church is faulty and needs repair.

Advantages:

- useful when expertise of one person is superior to all others in group

- used when group action in the implementation of decision is slight
- Disadvantages:
- difficult to decide who is expert
 - group interactions lost
 - if result not perfect “blaming” may occur

Problem Solving Decision Making Model

- 1. Identify problem** and state it clearly - e.g. - Approximately 25% of our congregation arrives late or leaves early for Sunday Divine Liturgy.
- 2. Gather Information** - Consider all choices, causes and solutions. When did this start? What have other churches experienced?
- 3. Evaluate choices**, causes and solutions - List all the factors that affect the issue. List as many solutions and alternatives as possible in order to find a solution that will be acceptable to all. Evaluate in light of advantages and disadvantages, practicality, church norms, present policy, cost etc.
- 4. Silent Prayer** - Take a few minutes to listen for the guidance of the Holy Spirit.
- 5. Make a decision**, choose one solution - Using the consensus process, choose one solution and make a decision.
- 6. Accept responsibility** for decision and plan for implementation - It should be clear what action will be taken, who will take the action and by what date, and how a report or evaluation will be presented.
- 7. Evaluate decision** - Evaluate the decision and the effectiveness of the plan of action. Often the evaluation will indicate further issues to be dealt with by means of the same process. Evaluation can occur at a later specified date. e.g. after 6 months, after 1 year etc.

Problem Solving in Decision Making

Problem solving, like goal setting, should follow a process in order to be effective. Consider the process as follows:

1. Identify problem. State it clearly.
2. Gather information. Consider all choices, causes and solutions.
3. Evaluate choices, causes and solutions.
4. Silent prayer. Listen to the Holy Spirit’s Guidance.
5. Make a decision. Chose one solution.
6. Accept responsibility for decision and plan for implementation.
7. Evaluate the decision. Modify if necessary.

Conflict Management

“I appeal to you brothers and sisters, by the name of our Lord Jesus Christ, that all of you be in agreement and that there be no divisions among you, but that you be united in the same mind and the same purpose.” (1 Corinthians 1:10)

Conflict management is a particular problem solving method that focuses on the internal dynamics within the group. Conflict can be reconciled by using the same decision making process described on the previous page. Conflict will not be reconciled unless all parties concerned are willing to listen to each other and work toward a common resolution. A sufficient amount of time must be given to allow all sides to state the problem as clearly and accurately as possible. After listening to the statements made, it may be helpful to have those holding opposing views restate the perception held by the other side. In this way each side better understands and appreciates the other.

Some Helpful Suggestions in Managing Conflict

Remember that:

1. Making the clear and conscious choice to do something implies risk.
 2. It might be uncomfortable or unfamiliar.
 3. Waiting until there is no tension will never resolve the conflict.
 4. Change comes in the midst of discomfort and growth occurs in pain.
 5. Very few situations will be worse with a sincere effort to listen to each point of view and feelings expressed without attacking the other person.
- Make the choice to talk rather than remain silent. You are making the decision to deal with the issue.
 - Think before speaking - Practice what is to be said prior to the encounter.
 - Keep to the point - Be brief, avoid rambling and repeating.
 - Be specific - Articulate any offensive behaviour without being judgmental, argumentative or directive.
 - Speak slowly - Make a conscious attempt to slow down as talking fast adds tension.
 - Speak in a low tone - Anxiety can cause the throat muscles to tighten making the voice pitch higher and offensive.
 - Breathe slowly - Controlled breathing allows you to control your voice and body.
 - Look at the person and establish eye contact.
 - Give the other person a chance to talk. Listen without interrupting.
 - Admit when you feel defensive - e.g. “I feel defensive when you tell me you don't understand.”
 - Talk about your feelings and perceptions of the situation. - Do not accuse, attack or judge.
 - Avoid giving advice about what the other person should do.
 - Stop if confrontation gets out of hand. Postpone the talk. Ask to set another date to resume the discussion.
 - Enter into a joint discussion regarding future action if appropriate. e.g. “Where are we

going to go from here?”

- When an argument between two members begins to dominate, a third calls for silent prayer to seek direction. A fourth member can break the silence by giving voice to the inspiration that answers the prayer.

Thank the person for listening and for expressing his or her views.

6. Relationships

Parishes are part of the universal and local church and relate to various national and regional church organizations such as the Canadian Conference of Catholic Bishops (CCCCB), Eparchial Commissions, Eparchial Pastoral Council (EPC), Eparchial Finance Council (EFC), Deaneries, Regional Pastoral Councils (RPC), etc.

The Parish Pastoral Council's understanding and support of the relationship of the parish church to the Eparchy of Edmonton is vitally important as the parish is accountable to the Bishop. The Parish Pastoral Council is the link between the Eparchy and the parish in communicating, supporting and implementing the ministries, programs and policies of the Eparchy. The mission statement and goals of a parish should reflect those of the Eparchy. Parishes make a vital contribution to the life and mission of the people of God in the Eparchy of Edmonton.

Parish Pastoral Council's Relationship with the Eparchy

The members of the Parish Pastoral Council are representatives of the faith community, their parish. As such, they represent parishioners in formulating policy concerning the pastoral ministry of the parish and the Eparchy. This relationship is a unique process whereby elected and appointed leadership and representatives reach consensus through prayerful discernment, discussion, respect and trust.

Eparchial Pastoral Council (EPC)

The Eparchial Pastoral Council (EPC) was formed to provide an opportunity for the faithful to have a direct consultative role in the pastoral mission of the Eparchy of Edmonton, to provide support for the Council and to facilitate communication among parishes and all the ministries offered by the Eparchy.

- Role
 - to support the development of a pastoral vision for the Eparchy of Edmonton
 - to articulate emerging issues in terms of service to the whole Church
 - to study pastoral matters concerning the Eparchy and to propose practical solutions concerning them.
- Membership – at least fifteen members of the Christian faithful appointed by the Bishop, with the laity comprising at least one-half of the Council
- Ex-officio members - Bishop, Auxiliary Bishop, Chancellor
- Term – three-year term, once renewable
- Officers – Bishop, Chairperson, Vice-chairperson, Secretary
- Meetings – Bi-monthly

Deaneries

The general purpose of the Deanery (Protosynodate) is to provide an organizational structure whereby the priests of a given area meet to discuss issues unique to them as priests. At present, the Eparchy of Edmonton has three deaneries: Edmonton, Calgary and Vegreville.

Regional Pastoral Council (RPC)

Whereas the deanery often times includes a large number of parishes and covers vast geographical territories, it is desirable that Regional Pastoral Councils be established in a given deanery.

- Role
 - to provide a forum for dialogue on parish, regional, deanery or Eparchial issues in light of the mission of the Church and the Eparchy of Edmonton
 - to assist Pastors and parishes with pastoral concerns and particular needs common to a grouping of parishes served by one or more priests, for example, scheduling of liturgical services, youth programs, catechesis for children and adults, Bible study, etc.
 - to ensure communication and collaboration between the Parish Pastoral Council and the Eparchial Pastoral Council.
- Membership – 2 representative from each parish
- Ex-officio members – all priests, deacons and religious assigned to pastoral ministry in the parish
- Term – 2 year term, renewable
- Meetings - at least four per year

“Leaders are stewards of God’s purposes and resources in human lives and history. Too easily we act as if we were the owners. Too easily we try to play God. We do not work miracles for God. He does them for us.” (Richard Kriegbaum)

III. RESOURCES

1. Training and Formation

Parish Pastoral Council members have an obligation to acquire the background and skills necessary for their task. Orientation and Training is essential for all incoming Council members. Every member needs to know what is involved in the Council membership so that their contribution to the Council makes use of all their gifts and talents.

Parish Pastoral Committees should be trained by the Parish Pastoral Council as to their mandate, roles and responsibilities thus empowering the committee.

The Eparchy of Edmonton is prepared to assist in the formation and support for all Parish Pastoral Council members. The following two workshops, offered by trained volunteer facilitators, are available on request:

Parish Pastoral Council Workshops

Parish Pastoral Council Workshop (full day)

A fundamental resource for Parish Pastoral Councils, this workshop has as its theme “Parish Pastoral Council as Ministry,” with a focus on prayer and the role and responsibilities of Council members as leaders in the parish. All Council members should attend the workshop, especially new members.

Enriching Our Parish Pastoral Council Ministry Workshop (full day)

An enrichment workshop based on the theme of “Baptism,” focuses on the growth of the Parish Pastoral Council members in response to the baptism call. The workshop includes a process to deal with practical issues specific to the individual parish requesting the workshop. Facilitators will attend a Council meeting or Executive meeting prior to the workshop or receive copies of the meeting agenda and the minutes.

2. Commissioning and Prayers

The parish consists of a community of people who believe in Jesus Christ as Lord, live the Good News, celebrate and pray together. Parish leadership relies on prayer. Thus, members of the Parish Pastoral Council must have a deep concern for the spiritual renewal of the parish community. This involves developing a personal prayer life as well as community prayer.

The following are a few suggestions for liturgical celebrations and prayers which can be used by the Parish Pastoral Council.

RITE OF COMMISSIONING OF THE NEW PARISH PASTORAL COUNCIL

GENERAL INTERCESSIONS

During the Divine Liturgy, the following petitions may be added:

Pastor: For the members of the Parish Pastoral Council
who will be commissioned this day,
let us pray to the Lord.

Choir: Lord, have mercy (*after each petition*).

That the members of our Parish Pastoral Council
may give witness to the presence of Christ
by lives manifesting faith, hope and love,
let us pray to the Lord.

That the Church, the People of God,
may grow in Christ and in the bond of common fellowship,
let us pray to the Lord.

That all who are concerned with the welfare of our parish,
may be open to the movement of the Holy Spirit
and strive to carry out God's will,
let us pray to the Lord.

PRESENTATION OF THE CANDIDATES

After the Ambon Prayer, that is, after "Blessed be the name of the Lord," the Pastor invites the members of the Parish Pastoral Council to come forward and to stand facing the parishioners. The Pastor then reads the names of the Council members and their positions (chair, vice-chair, secretary, etc.). The Pastor then addresses the entire parish:

Pastor: Dear friends, these members of our parish have been selected to act as a consultative body to the Pastor of this parish community. In sharing their gifts and wisdom, they have the pastoral needs of this entire faith community at heart. Let us pray for their perseverance in this important service.

The Pastor addresses and questions the Parish Pastoral Council.

My brothers and sisters,
you are called to a most important work in our community.

Your duty is to foster the pastoral activity of this parish, to help all of us grow in faithfulness to the Gospel, to be the disciples of Christ that we are called to be.

Because of your knowledge and competence you have been chosen to share your insights with one another, with me your Pastor and the whole pastoral team, for the well-being of the entire parish and the building up of the kingdom of God.

Therefore, I ask you,
are you willing to share your insights honestly, with courage and with mutual respect?

Each member of the Parish Pastoral Council responds:

Candidates: I am.

Pastor: Are you committed to work together with openness to the needs of every member of this parish community?

Candidates: I am.

Pastor: Will you strive to make prayer a part of your daily life, ensuring that in all deliberations we are open to the grace of the Holy Spirit?

Candidates: I am.

The Pastor addresses the entire parish:

Pastor: Will you, our parishioners, support these members

of the Parish Pastoral Council in their ministry among you?

All: We will.

PRAYER OF BLESSING

Pastor: Let us pray to the Lord.

All: Lord, have mercy.

Pastor: Ever-living God,
you have chosen us to be your beloved people,
and have gathered us to live in this parish
to proclaim the Gospel of Christ to all people
and to love and to serve you in word, worship, and work.

Bestow your (†) blessings upon these members
of our Parish Pastoral Council
and let their deliberations be pleasing to you.

May your Spirit enlighten their minds
and guide their actions
that they may be renewed in faith, united in love,
and bring to fulfillment the work of your Church
for your honour and glory
and for the benefit of all your people.

For you are our God, and we are your people
and we glorify your name,
Father, Son, and Holy Spirit,
now, and for ever and ever.

All: Amen.

The Pastor may present the members of the Parish Pastoral Council a copy of the Bible, the Parish Pastoral Council Guidelines, or some other symbol of their work.

Pastor: Take to heart your responsibility for this parish community
and strive to grow in faithfulness to the Gospel.

All (sing): Mnohiji lita (Many Years)!

The Pastor concludes the Divine Liturgy.

The following prayers are taken from: *Prayers for the Servants of God* by Edward Hays (Forest of Peace Books, Easton, KS, 1980).

Prayer before a Parish Pastoral Council Meeting

God of Abraham, Isaac and Jacob,
You have called us
to be the servants of Your servants –
our brothers and sisters in the parish.

We meet here as their representatives,
and so we ask for the grace of your guidance.
Help us to truly represent them
and not simply ourselves.
May the true needs of our parish
and the common good of all be our concern.
And above all, may your will in these matters
become our will.

Help us who serve in these positions
to remember that all of our concerns are aimed at
the spiritual transformation of our parish-community.
May the matters we shall discuss
not blind us to the primary work of our parish:
the holiness of all its members.

May the Holy Spirit,
who inspired the Pentecost meeting of the apostles,
visit us and grant us the light of Divine Wisdom.
We ask this through our Lord, Jesus Christ,
who lives with You and the Holy Spirit,
forever and ever. Amen.

Prayer before a Parish Pastoral Council Meeting

Holy Jesus, our Friend and Stronghold,
You who visited the apostles
as they labored with their fishing
and granted them success,
come and visit us in this meeting
so that the work of this session
may also be fruitful.

Untangle all the knots,
and smooth out the rough ways,
as we, with confidence,
begin this spiritual work of service
in the sign of your cross:

In the name of the Father,
And of the Son, and of the Holy Spirit. Amen.

Prayer before a Parish Pastoral Council Meeting

Lord, our God,
we ask Your Divine Assistance in the task
of representing the wishes of others.

Because we serve You
in this service to the members of our parish,
may this meeting serve to be
a prayerful and worshipful gathering.

May our vision as leaders of our parish
extend beyond material things
and encompass the ideas of the gospel
and of Your Son, Jesus Christ.

Help us to think beyond the boundaries of our parish
and to be truly catholic – universal
in our service to the local and the global Church.

May we, by this meeting,
hasten the coming of the Kingdom.

We begin in the name of the Father,
and of the Son, and of the Holy Spirit. Amen.

Prayer before a Parish Pastoral Council Meeting

Lord, God of Unity and Strength,
we approach this meeting as a time of communion
with You and with each other.

May the spirit of prayer not only begin our work
but sustain it and conclude it as well.

The problems we must discuss are many
and the solutions will not be easy,
but may the final minutes of this meeting reveal that at all times
we were reverent toward one another,
and respectful of each other's ideas and positions.

May we, Lord, in this meeting,
seek not merely that we think alike
but that we be united in heart and in purpose.

Although ideas and visions may divide,
may our love for You and for each other unite us.

We pause now, in silence,
so that each of us may invite You

to be Companion and Consultor
at this Parish Pastoral Council meeting.

(Silent prayer)

May we begin in Your Holy Name:
Father, Son and Holy Spirit. Amen.

Prayer before a Parish Pastoral Council Meeting

Let us pause in silence
to be mindful of the presence of our Lord and God
as we gather for this Parish Pastoral Council meeting.

(Silent prayer)

Let us be mindful of the Divine Presence,
alive within each of us who is present.
Let us be aware of the Presence of the Divine Mystery
in the issues that we shall discuss,
in the concerns that are the work of our Council.

(Silent prayer)

Lord, with such mindfulness,
we now begin this Parish Pastoral Council meeting.
Help us to sustain that consciousness throughout.
May we be respectful of the opinions of all:
reverential to the ideas of others
and to the manner in which they are presented.
As we represent the members of our parish-community,
may we also, at this meeting,
represent the love and understanding of our Lord
to each other.

May the Kingdom arrive sooner
because of the prayerfulness
of this Parish Pastoral Council meeting. Amen.

3. Parish Mission Statements

General

Canon law defines a **parish** as “a definite community of the Christian faithful established on a stable basis in the eparchy, whose pastoral care is committed to a pastor” (canon 279), where a **pastor** is defined as “a presbyter to whom the care of souls in a given parish is committed as to its own shepherd; he is the foremost collaborator of the eparchial bishop in the parish under the authority of the same eparchial bishop” (canon 281, §1).

A parish is a community called together by God which chooses to be together because of the **common universal mission of the Church** to:

- proclaim the Good News
- build up a community of love
- serve others in the name of Jesus
- celebrate liturgies of thanksgiving and praise
- enable membership to grow

Keeping in mind the universal mission of the Church, the mission statement of the Eparchy of Edmonton, and an understanding of what a parish is, each parish is called upon to develop its own unique mission statement. The **Mission Statement** of a parish calls the members of the Parish Pastoral Council to reflect on the spiritual union of Christ and his people, the parish, before tackling earthly concerns.

The Mission Statement:

- **gives direction** for all short and long range planning
- is a **tool for evaluating** what happens in and through the faith community
- enables the parish to hold a **non-secular vision** because it challenges each member to live life in Jesus
- attempts to **unite the faith community with Jesus Christ**, his mission and his message of teaching, sanctifying and serving
- **links** the parish with the Eparchial and Universal Church and the local community
- expresses the specific **identity and purpose of the parish**
- is **written** in words that reach, touch and make sense to parishioners who endorse it and make it reality in the parish community
- is **not filed away** but is meant to be used regularly to guide Parish Pastoral Council decisions because it is owned and celebrated by the parish at large

Elements of a Mission Statement

According to Forester and Sweetser in **Transforming the Parish** (1993), to accomplish its mission the parish must:

- be a place of worship - it is through liturgy that we celebrate God in our lives
- be a place where the Good News of the Gospel is proclaimed - it is through the word that we interpret how God moves in our lives

- be a place where healing service is offered to people in need - we must respond to the call to be just
- be a place of community - we are a community religion and thus parish is to be understood in terms of its people and not in terms of its structures.

A Mission Statement:

- states the **reason** the parish community exists
- refers to the **roots** from which it comes
- relates distinctive parish **characteristics**
- communicates the nature of the **service** the parish intends to offer
- **commits** itself to a specific parish
- provides **future direction** for the parish to which the broader society may hold the parish accountable
- uses key words that are rich in **meaning** to the group.
- is **brief**, usually under fifty words

The Mission Statement enables the parish to establish priorities, to make policies and to use resources in such a fashion that reflects the challenge of the Mission Statement. To preserve the integrity of the mission, the planning process must be grounded in faith which will allow Parish Pastoral Council members to discern the will of the Holy Spirit for the parish.

Developing a Mission Statement

- Parish mission statements must be in concert with and under the umbrella of the Eparchy of Edmonton mission statement, which states: “The mission of the Eparchy of Edmonton is to lead people into an ever closer communion with the Trinity by together living out the Gospel of Jesus Christ and the teaching and spirituality of the Ukrainian Catholic Church.”
- In developing the parish mission statement it will be necessary to engage in a consultative process to gather the information necessary for the formulation of the statement.
- A **consultative process** involves prayer, reflection, sharing and honesty of parishioners who are invited to meet for the purpose of reflecting on who they are as a community.
- The use of a **facilitator** allows all parishioners to be free to devote their energy and thoughts in praying for the guidance of the Holy Spirit. It also ensures that the process is unbiased and objective.
- All participants are invited to express their thoughts in a concise statement. These statements are collated, analyzed and distilled into one statement of mission which is then discussed and approved.

Guiding Questions for Feedback on Key Elements of the Mission Statement

- What is the reason we have a parish?
- What are the roots, the heritage, the history, the past culture and the present culture of the parish?
- What are the distinctive characteristics of our parish?

- What kinds of service does our parish offer?
- Who are the people we are committed to serve?
- To what future direction and endeavors are we committed?

Using the Mission Statement

The Mission Statement:

- should integrate parish life
- should form the preamble to the parish by-laws
- should be made available to the parishioners for their reflection
- should be given to all Parish Pastoral Council committees so that they can develop their goals to conform with and enhance the mission statement
- could be passed out to all newcomers
- can be used to celebrate the mission with a special liturgy

Sample Mission Statements

Please note: These samples are supplied to clarify how succinct and embracing a mission statement could be and should not be used as a preferred model. Content in a succinct statement is the key as the statements although powerful are not as important in themselves as the experience of the process used in their development. As Councils change and the parish grows, it is wise to review the mission statement every year to ensure that it remains fresh and vital to the people and under the scope of the Eparchy of Edmonton mission statement.

Sample 1

“We exist to serve the Lord, His Church and - Parish Community equitably through prayer, consultation, ministry and evangelization to invigorate and challenge the Laity in their daily lives, to build the Kingdom of God and transform the world.”

Sample 2

“It is the mission of this parish to fully live the gospel message as a Christian Community.”

Sample 3

“We, the people of God, united and motivated by the Holy Spirit, desire to praise God in our everyday lives by dedicating ourselves to share our faith and our talents in service to one another: thus, our search for ways in which to grow in Christian living will be fulfilled.”

Sample 4

“We, the people of God, recognize that we are God's people in the family of Christ, and that we have as our mission to live by truth and love; to be open to the needs of all; to teach by example; and thereby strengthen the community of faith.”

Sample 5

“We, God's family in _____ parish, inspired and strengthened by Christ's death and resurrection accept our vocation to follow Him and let His light shine through us to the world.”

Pastoral Planning

“Where there is no vision, the people perish.” (Proverbs 29:18).

Pastoral Council planning for the parish:

- is a **Spiritual Process** of discernment based on prayer and reflection. It is not an Administrative exercise.
- is **necessary** to preserve an inner direction, purpose of operations and deliberations of Parish Pastoral Council.
- must **grow** from an inner vision where the baptized community accepts the responsibility and challenge of taking charge of its own mission.
- is a process of prayerful, reflective **discernment** of needs and pastoral action to address those needs.

Vision is characterized by:

- concentration beyond one's own parish, needs and community
- concentration beyond one's own church or building
- focus on more than a single issue

Goal Statement - A clear statement of direction or activity as related to a major area of concern.

Objective - A statement of what is to be done, for whom, when, how and at what cost in achieving the stated goal.

Planning is:

- a description of group's goals for the future
- an agreement on the means of achieving the goals
- anticipation of and forecasting of direction, priorities, possible problems and implementation of appropriate action
- an effort to arrange for use of resources in an orderly, economical and goal achieving manner

Pastoral Planning Considerations:

1. Parishioners directly affected by decisions should have the opportunity to influence the decision at an appropriate point in the process. In order to "own" the change they must be part of the creation of new, acceptable solutions.
2. Parish Pastoral Council must have at its disposal concrete information on the state of the parish prior to embarking on a planning process. Data can be collected in various ways from open meetings to questionnaires and should not be confined to existing groups but should seek out responses on issues and needs as yet unmet in the parish.
3. A typical Pastoral Planning Workshop could be divided as follows:
 - Session 1: Review the mission statement
 - Session 2: Discernment of needs and problems

- Session 3: Discernment of strengths and resources
- Session 4: Consensus on goals
- Session 5: Consensus on objectives
- Session 6: Strategies for achievement of goals and objectives
- Session 7: Setting up an Evaluation Process

Setting Goals and Objectives

Goal setting:

- prevents Parish Pastoral Council from drifting, reacting only to and managing crises
- maintains focus and continuity as Parish Pastoral Council members change
- focuses energies and talents of Parish Pastoral Council members
- reminds Parish Pastoral Council members of their responsibilities and place in their community, church and world
- should reflect the goals of the Eparchy of Edmonton

John Haggai in **Lead On!** (pp. 39-40) lists four common fears of goal setting:

- the fear of imperfect goals
- the fear of defeat
- the fear of ridicule
- the fear of considering goal setting presumptuous

Few people employ goal setting in their own lives and so feel uneasy about the process. Goals must therefore be realistic and attainable. They must be reviewed regularly for relevance and progress achieved towards attainment.

William Rademacher in **The New Practical Guide for Parish Councils** says there are seven main characteristics of a goal statement.

1. It is a guide to action - stated as a desired outcome, a result, a desired condition or state of affairs.
2. It is general in its direction.
3. It is challenging, exciting, and inspiring to its participants.
4. It calls for investment and involvement by the participants.
5. It may provide a time target. (2 or 5 years).
6. It is directly tied to the purpose and goals of higher units in the organization (example: eparchy).
7. It can be attained through a series of objectives and strategies.

Goals should be written using action words such as: to know, to understand, to establish, to coordinate, to believe, to celebrate, to transform, to assure, etc.

“Vision must be followed by the venture. It is not enough to stare up the steps, we must step up the stairs” Vance Havner.

Objectives outline the specific actions to be done or strategies to follow in order to accomplish the Parish Pastoral Council goals in terms of how, when, who, what, for whom and at what cost. Objectives must:

- be simple - one outcome expected, e.g. new volunteers
- be clear and understandable
- be attainable - within ability of Parish Pastoral Council to accomplish
- be measurable – Parish Pastoral Council can tell when goal is reached e.g. 50 new volunteers
- be focused on a target group, e.g. unemployed, elderly, ethnic group, youth
- be action oriented e.g. - hold a Parish Mission during Great Lent
- be time specific, set target dates e.g. in next 3 months, this year, within 2 years, 5 years etc.
- be specific as to who is responsible for carrying out action

Objectives should be written using **action words** such as:

- to encourage
- to hold
- to eliminate
- to establish
- to build
- to design
- to celebrate
- to identify

Sample Goal – To foster an understanding of the power of prayer in the everyday life of the parish community.

Sample Objective – To foster prayer, the Liturgy Committee will organize a three day Parish Mission on the topic of Prayer, to be held during Great Lent 2006, featuring a guest homilist, at a total cost of no more than \$500.00.

“One may walk over the highest mountain one step at a time.” John Wanamaker

Today, I will challenge myself and others to pursue our goals one step at a time.

4. By-Laws in General

The parish itself is both a civil corporation under the laws of Alberta and a juridic person, ecclesiastical corporation, under the laws of the Church. That which has been acquired by gift, bequest, devise, donation, or any other means becomes the property of that parish, in turn the Eparchy, and title or right no longer resides with any person other than the parish, nor does any other person hold a reversion in that property. The Pastor is charged by canon law to manage the temporal goods of the parish.

Thus, the Parish Pastoral Council, in its collaborative role with the Pastor, operates using by-laws which:

- reflect the nature and the mission of the parish, namely, to share in the mission of the Church
- state the name and address of the parish
- contain its structure and operational guidelines
- outline procedures it follows
- contain organizations in the parish
- are useful to understand relationships
- allow for innovation to address particular parish needs
- are reviewed and updated regularly
- can be amended as needs and changes occur
- are approved first by the parish and then by the Bishop of Edmonton

Components of the Parish Pastoral Council By-laws

NAME AND ADDRESS of the Parish

PREAMBLE - This section expresses the basic identity, nature and motivation of the parish.

MISSION - The preamble should conclude with the mission statement of the parish, which is developed in the light of the mission statement of the Eparchy of Edmonton, namely: “To lead people into an ever-closer communion with the Trinity by together living out the Gospel of Jesus Christ and the teaching and spirituality of the Ukrainian Catholic Church.”

NATURE AND FUNCTION - This section states the role of the Parish Pastoral Council, what it may do on behalf of the parishioners it represents, what kind of decisions it may make on behalf of the parish, and the limits of its powers.

This section should convey the concept that the Council is a consultative body, which collaborates with the Pastor in carrying out the mission of the Church. Through its insights, expertise and prudent advice, it identifies, implements and evaluates pastoral initiatives, parish policies and decisions which are best suited to spreading the Gospel. It coordinates and unifies the parish, and as such is responsible for overall parish pastoral development and goal setting.

The Pastor, for his part, has the primary canonical and statutory civil responsibility for the spiritual and temporal ministry and care of the people under his jurisdiction. The Pastor is directly responsible to the Bishop, the faith community and the civil authorities.

MEMBERSHIP

This section describes the membership of the Parish Pastoral Council in terms of:

Eligibility - a practicing member of the parish, willing and able to share responsibility for the parish community

Size - Generally Councils range in size from 10-20 members in larger parishes and 5-10 in smaller parishes. Councils of 20 members or more have difficulty fostering full participation that allows good discussion and good representation with a variety of views expressed.

Ex officio members - must include all priests, deacons and religious assigned to pastoral ministry in the parish.

Persons Representing Ministries – The Parish Pastoral Council can benefit from the presence of those persons who carry on in the name of the parish certain ministries, for example, liturgy and religious education.

Lay Members – The parish and the Parish Pastoral Council has the responsibility of discerning the talents and gifts required to lead the faith community at any given time and to present candidates through a nominating committee for election at a parish general meeting.

Organizations - Representative of parish organizations and independent organizations within the parish, such as the UCYC, UCWLC, UCBC and K of C may also be members.

OFFICERS

The Pastor is duly appointed by the Bishop. The Chair, Vice-Chair, Secretary and Finance Committee Chairperson are usually elected. Standing committees should be elected but may be appointed. Standing committees, sub-committees and ad hoc committees should select their own chairperson and secretary.

The Parish Pastoral Council Executive should include the Pastor, Chair, Vice-Chair, Secretary, Finance Committee Chairperson and possibly some standing committee chairpersons like the Parish Property Committee Chairperson.

COMMITTEES AND SUB-COMMITTEES

Each parish has its unique needs. The operating structure and committee work should reflect this and seek to meet the mission and needs of the entire parish and the larger faith community of the Eparchy and the Universal Church.

MEETINGS

Council meetings should take place monthly with the likely exception of July and August. Special meetings may be called by the Pastor or by the Executive with notification given in at least one parish bulletin.

The annual general meeting should take place within two months of the parish fiscal year end with a time, date and place announced at least in two parish Sunday bulletins. Written annual committee reports, including a Finance Committee report, budget, minutes of the last general meeting and an agenda should be made available in advance.

While most decisions are made by majority vote, such decisions should be made in light of the Gospel, minority views, listening to the needs and desires of the parishioners and striving for consensus.

COMMISSIONING AND FORMATION OF MEMEBRS

The Parish Pastoral Council should be commissioned at a Sunday Divine Liturgy in the presence of the parishioners on whose behalf they serve. New members should be familiarized with the by-laws in order to be able to better understand their role on Council. Workshops offered by the Eparchy can assist in formation of both new and experienced Council members.

APPROVAL OF BY-LAW AND AMENDMENTS

There should be a set procedure for making changes to both the Parish mission statement and by-laws. A committee should review them annually by seeking possible amendments from the committees, organizations and parishioners in general, suggesting amendments for discussion at a Parish Pastoral Council meeting and then as an amendment at a general meeting. Usually a two-thirds majority is required for an amendment to be adopted.

By-laws and amended by-laws should be signed and dated by the Pastor and Parish Pastoral Council Chair. By-laws and revisions must be approved and dated by the Bishop in writing.

The parish office should be responsible to maintain an up to date version of the parish mission statement and parish by-laws in a binder and on its website, where applicable. The by-laws should be available to all parishioners. Changes could be published in the parish bulletin.

“Work as if all depends on you. Pray as if all depends on God” (St. Ignatius Loyola).

5. Sample By-Law

Parishes are to develop their by-law based on the Parish Pastoral Council Guidelines prepared by the Eparchy of Edmonton. The following sample may be used as a template, adapted to each particular parish and its specific needs.

6. Civil By-Laws

The Christian faithful are subject, in addition to the laws of the Church, also to the laws of the civil society. Thus, the Church recognizes civil law, especially in regards to what is to be observed concerning the civil effects of marriage and the administration of church property and goods, where such civil laws are not contrary to divine law or canon law provides otherwise.

In this light, the Parish Pastoral Council is encouraged to take advantage of civil law especially where the protection of church rights and property are concerned. Refer to “An Act to Provide for the Incorporation of Parishes of the Ukrainian Greek Catholic Church in the Province of Alberta.”

Those parishes of the Eparchy of Edmonton that are civilly incorporated under “An Act to Provide for the Incorporation of Parishes of the Ukrainian Greek Catholic Church in the Province of Alberta” are to keep in mind the various norms contained therein. For easy reference, a copy of the Act follows.
