## SALVATION IN DAILY LIFE

This Sunday is the feast of the Holy Family, which comes on the first Sunday after Christmas Day. Today's feast celebrates how the humanity of Jesus (including his entire family life) has brought saving significance into the daily rhythms of our human family life.

The scriptures offer instruction and encouragement on how to share—within our families, parish families, and the wider human family—the love that God shares with us in Jesus. Selections from Sirach, Psalm 128, and Colossians encourage us to reflect divine love and thus find holiness in all our human relationships. The reading from Matthew's Gospel offers a living example of love in the actions Joseph took to protect his young family from danger and to nurture them within the larger family of faith of their time.
