School Tuition Organization

**ANNUAL REPORT TO DONORS**  

---

**2014**

**Our Faith**

**Our Children**

**Our Future**

The “Our Faith, Our Children, Our Future School Tuition Organization” had yet another record year! Because of your faithful and ongoing support, More than \$4.1 million in student scholarships were awarded throughout the Archdiocese of Dubuque for the 2014-2015 school year, allowing 3,044 students to receive a faith based education.

The best news is that through the generosity of more than 1,000 donors, the 2014 goal of \$5,697,329 was realized. That means nearly \$5.5 million in STO scholarships will be awarded for the 2015-2016 school year.

Faith based schools build character, impart values, and prepare the future leaders of our communities and our faith. What’s more, a recent study concluded that private-run, faith-based students score a full year ahead of their public school counterparts (1). Your support continues to make a tangible difference in the lives of families throughout the archdiocese, and within our faith, and for that, we thank you!

**Thank You!**

Our Faith, Our Children, Our Future School Tuition Organization (STO) is a charitable organization representing all of the Catholic K-12 schools in the Archdiocese of Dubuque and St. Paul's Lutheran School in Waverly. The STO receives voluntary cash contributions from Iowa taxpayers and allocates those funds in tuition grants to Iowa school children, who in turn, use those grants to attend one of the schools represented by the STO. At least 90% of the money received by the STO must go back out in tuition grants.

## Parental Choice Today

For nearly 150 years, the Church has unequivocally taught that parents have the right and responsibility to serve as the primary educators of their children. To assist them in this sacred duty, the Church has articulated clearly that children have the universal right to an education in faith, and the state has the fundamental obligation to enable such a right. In both written word and lived witness, the Church has advanced parental choice as a fundamental part of its mission to protect the equality of educational opportunity that is the birthright of all children. Since the passage of the first parental choice program in Milwaukee in 1990, bishops and state Catholic conferences have been among the most important advocates for parental choice.

# Education Savings Accounts (ESA)

Across the state, meetings are being held and information is being shared about the Education Savings Account program. The ESA is a new initiative on the school choice horizon that would allow parents not enrolling their child in public school to receive a grant equal to the average state per-pupil spending to use toward their educational expenses – allowing them true freedom of choice in education! For more information about the ESA initiative visit the Iowa Alliance for Choice in Education website at [www.iowaace.org](http://www.iowaace.org).
