

CHURCH OF ST. PETER
Roman Catholic Community

Saturday, August 8th 2020

Dear St. Peter's Parishioners,

Friday night around 7 p.m. we were notified that two of the Extended Day Care employees tested positive for COVID 19. Their symptoms are mild and they are recovering at this time, thank God. All cleaning procedures and CDC's guidelines were followed during these times.

Though the Extended Day Program location is physically separated from the church's building and school, after careful consideration and in constant communication with the Archdiocesan authorities, we consider prudent to suspend Holy Masses for this weekend of August 8 and 9 as well as Monday August 10, to allow deep sanitizing and further consultations with the civil authorities at the MDH, on Monday August 10th 2020.

Sunday Mass will be streamed at 11:00 a.m., as we have been doing consistently since the Lock Down days.

We will keep you informed of any further developments and we remain committed to our mission to serve the people of God at St. Peter's, with all due precautions and in a spirit of care for each other and communion in the Church.

Please join me in prayer for our staff members and children. Thank you for your understanding and support as we navigate this situation.

Let us keep each other in prayer,

Fr. Ettore Fenaric *Fr. Pietro*

Your priests, Ettore, Pietro, and Stefano, FSCB
