

## ST VINCENT DE PAUL COLLECTION FOR THE POOR

Those shadows have names. Susan is the Mom, Josh is the boy in front and Kevin is the boy behind her. They are standing in the food-bank line every week - for the past two months.

Susan lost her job in the restaurant months ago because of the virus. She has received only minimal unemployment benefits, which Congress has not renewed.

She also owes \$1200 in overdue electric bills.

Susan is depressed and without a job, sees no hope possible.

Are you willing to make a donation to our Parish St. Vincent De Paul Group, so we can put food on her table and keep the lights and heat on?

**God has given you the power to remove those shadows and give Susan and her boys some Hope.**

Please donate by placing your donation in the collection basket in the Narthex,
