

St. Luke the Evangelist Catholic Community

A Message from the Pastor

April 12, 2020

Dear Parishioners,

Let us rejoice and be glad! We sing, "Alleluia" once again as we welcome and commemorate the Resurrection of Jesus Christ over 2000 years ago. May our hearts be filled with joy and gladness for His fulfillment of all the prophecies and the hope and promise that His resurrection brings to our journey in this world as we prepare for our life in eternity in God's presence.

May God bless each of you this beautiful Easter Sunday morning. As we gather in spirit may the Holy Spirit lessen the weight we bear these days and replace worry with serenity. As Fr. Tommy, my mother and I gather for a simple meal around our table, know of our communion with you as you share across the boundaries of your confinement with those you love in spirit.

Be assured of the pastoral staffs' care for you these special days in these unusual circumstances.

Happy Easter! He is Risen! Alleluia!
