

Covid -19 Release for JMI Summer Camp 2020:

Parents, please read this form carefully and be aware that by registering for participation in this year’s JMI Summer Camp 2020 you will be waiving and releasing all claims for injuries and infection you or your child may sustain arising out of the JMI Summer Camp program provided by the Franciscans of Mary Immaculate.

There is an inherent risk when playing sports/activities, but not limited to bumps, bruises, etc. Diseases can spread by congregating and playing any sport/activity together. If you are not comfortable with this year's extra risk, please do not send your child this year. Your child's health (physical and spiritual) and safety is our #1 concern.

This year we will be implementing additional safety and sanitation measures because of the COVID 19 virus. However, in sending your child to JMI Camp you assume the risks and voluntarily acknowledge that there is a possibility of your child being in an environment where COVID -19 may be present.

I acknowledge that I am choosing to enroll my child and agree to assume the potential risk of any such injuries. Further, I hereby waive and relinquish all claims that I, my insurer, or my child may have against the Franciscans of Mary Immaculate, and the staff and volunteers of the JMI Summer Camp 2020.
