October 30, 2019

**Boo! This year's Trunk or Treat on October 11 was extraordinary.** There were so many different costumes! Trunk or Treat is a fun event where instead of going house to house to trick-or-treat, you go car to car. The PTU provides pizza and apple cider for guests. If you are a member of the PTU, you can attend this fun event. Not only can you dress yourself in a costume, you can dress your car too! Every year there is a winner for best costume and best car.

This year's winner for best costume was M & M's, Aluminum, Porta-Potty, Tic-Tac, and headless women. This year's winner for best car was Alice In Wonderland. One of the best things about Trunk or Treat is that you can dress up as whoever and whatever you want. Some of the most common costumes this year were princesses, unicorns, and foods. You can do a group costume with friends, too. One popular group costume is the friend group from the movie, *Descendants*. Trunk or Treat is a fun night for everyone. If you didn't go this year, there is always next year-so sign up for PTU and come!
