

Dear St. Charles Families,

My name is Debbie Bowne and I am the coordinator for the Box Tops program at St. Charles Borromeo. I am writing this letter to inform you that the Box Tops for Education program is changing.

Over the summer, you might have noticed that some of the brands participating in the Box Tops for Education program have changed their packaging and the traditional Box Tops that you would clip and turn in has been replaced.

Traditional Box Tops

New Box Tops Label

Going forward, instead of clipping the Box Tops from packages all Box Tops rewards will be earned digitally by scanning your store receipt. The Box Tops for Education program has created a new Box Tops mobile app for your smartphone.

The new app uses state-of-the-art technology to scan your store receipt and instantly add Box Top earnings online for our school. The Box Tops app can easily be downloaded from the Apple App Store or from Google Play.

If you still have traditional Box Tops, please continue to send them to school. We will still earn cash for all clipped Box Tops until they expire. During this transition period, we can even “double dip” and earn twice as much by clipping the traditional Box Tops AND scanning the store receipt containing those products.

If you would like more information on these changes, please visit <https://www.boxtops4education.com/> or email me at dbowne@saintcharlesschool.org.

Thank you for supporting our school.
