\*Dear Junior High parents:

One of the goals that the junior high teachers have is to develop the organizational skills of our students. In order to prepare the students for their years beyond St. Charles, they need to become self-sufficient and have the ability to control their success. We are giving students two different options in order to best suit their organizational and note-taking needs.

The first option would be for students to have (2) 1 ½" 3 ring binders or have (1) 3" binder. The second option would be for the students to use spiral notebooks or loose-leaf paper with insertable index dividers.

Sincerely,  
Junior High Teachers
