

2021-2022

Better FOR Others
Gospel of Matthew 25:31-46

THE SUNDAY SCOOP NOVEMBER 21, 2021

Good morning on this The Solemnity of Our Lord Jesus Christ, King of the Universe! There is so much to think about with this feast. It might be interesting to start a conversation with your family by simply asking what do they think of when you say Jesus Christ is King of the Universe. Take it from there. Maybe invite your kids who like to draw to draw what they think of when they hear Jesus Christ is King of the Universe. I would love to see those drawings!

Before I go on to the plans for the week, if you are interested in SKI CLUB, read this:

Hello Families:

I was notified about Ski Clubs and our first order of business is to pick a day. Unfortunately they are not hosting ski clubs on Saturdays/Sundays as we are accustomed to. :(For now, please quickly fill out the form, and indicate your preferences on day/time/location.

<https://forms.gle/gdwYnKCuk11MJkzV6>

Anyone aged 8 - 18 is welcome to participate, so please ask friends and family, and share the link.

WE NEED TO GET THIS FILLED OUT PRONTO though, so please do not delay.

5 weeks:

Lift, Lessons, Rental: \$220 Lessons, Rental: \$170

THINK SNOW!

Please reach out with questions. :-)

Paul Koenig

call/text: 440-345-6551

My apologies to Paul Koenig. He had asked me to send this out a few days ago - so if interested - fill out the Google form today!

As we are now in the "thick" of holiday season, there is much happening the parish, including plans for Advent. Check out the bulletin: <https://d2y1pz2y630308.cloudfront.net/2492/bulletins/20211121.pdf>

We DO have school THIS Monday and Tuesday. One of the students asked me why we weren't taking the extra two calamity days before Thanksgiving to "limit exposure." My response is this - we can limit where we go and who we see before Thanksgiving. On Thanksgiving (and the weekend after), most of us will be spending time with extended family and friends - people we do not see on a regular basis. What a great time to be with loved ones - filled with fun and love! We are taking the two days AFTER Thanksgiving to give everyone the opportunity to watch for any symptoms of Covid or any illness that might be spread. And as I said to the wise seventh grader who asked that question, I hope the number is zero!

Due to the change in calendar, orchestra and band will have lessons THIS Monday and Tuesday, respectively. Band will not have after school rehearsal on Tuesday.

Monday will be orchestra, student savers, and Power of the Pen. There will not be junior high math lab after school on Monday.

Tuesday will be band lessons during the day and Young Rembrandts after school. I am checking with a reschedule of Young Rembrandts for the following week (November 30) - stay tuned. We will also let you know about a possible reschedule of Scrabble Club from November 30.

Tuesday is Country Parlour ice cream pick up from 2:30-4 and 5-7 in the gym lobby/kitchen. Thanks to all who ordered ice cream for this delicious PTU fundraiser.

LUNCH MENU changes - the lunch menu was changed on Friday, but there was not enough notice to email you the change. Apologies to all who were disappointed to get popcorn chicken/chicken tenders instead of stuffed crust cheese pizza. **There are changes to the menu this Monday and Tuesday as well.** This is due to supplier issues.

Monday, November 22- walking taco instead of pepperoni pizza

Tuesday, November 23 - Fiestada pizza instead of walking taco

In December, our cafeteria manager is thinking about surprise lunches for the students. Everyone will get a hot lunch made up of a main protein, veggie and fruit, but it will already be boxed up in a to-go container. The students will just come in, pick a container and go sit down. Then open to see what they get. We will let you know when that day's lunch will be the Manager's special. Mrs. Collins, our amazing manager, will take into account the age groups and what each age likes but thinks it will be fun plus it creates room in the freezer for any menu changes in 2022!!

The December calendar will be sent and posted soon, but in the meantime, plan for a fun night of painting (and sipping?) at the PTU Paint Night fundraiser:

Thursday, December 2, 2021, 6:30 PM - 8:30 PM

Location: Lower Parish Hall

\$25 per person (PTU gets \$10 from every registration) Participants must register in advance.

This event is for those 21 years or older.

There is another student who tested positive for Covid - the results were sent later on Friday. This student is in second grade and does not have siblings in school. The symptom prior to the test was a sore throat (suspected strep). The student was not in school on Thursday or Friday. Prayers that symptoms remain mild and resolve quickly.

On behalf of the faculty and staff of Saint Charles School, we wish you a very Happy Thanksgiving! We cannot name all the things for which we are grateful, so we will simply say we are grateful for the faith we share, the freedom to be able to choose a Catholic education, and to you for sharing your beautiful children with us!

There is no school from Wednesday to Tuesday (November 24-November 30).

Enjoy your Sunday and ... Go Browns!

Eileen Updegrave
