***WHAT THEY'RE SAYING ABOUT READY TO ROCK...***

Ready to Rock! was really fun because I liked visiting my "little buddy" at Head Start. The kids were so happy because it was a carnival. I can't wait to do Ready to Rock again! -Gabe C.

I thought it was a cool and fun camp, especially because it was the first one and I got to be a part of it. It was fun hanging out with all the new kids!  
-Izzy B.

Ready to Rock! made me stronger in my faith and helped me understand people that don't have as much money or things that I do. -Ethan M.
