Dear supporter,

As our human family faces the COVID-19 pandemic, we would like to take a moment to send you our wishes for health and resilience in this time of great uncertainty. Our thoughts are also with communities of the Global South whose hardships are compounded by this crisis.

Following the advice of public health authorities, Development and Peace has made the difficult but responsible decision of cancelling or postponing all in-person events and meetings across Canada until further notice.

Despite this situation, **we will continue with our Lenten journey of solidarity through a virtual [Share Lent campaign](#)**. Many resources are **[already available on our website](#)** and in the coming days, we will provide additional activities that let you experience the spiritual renewal of Lent online and express your solidarity with those who need it the most.

As church closures will affect parish collections, **we ask you to support Development and Peace's work by donating by mail, over the phone**

or online:

In these difficult times, the need for solidarity and supporting one another is all the greater, especially for our sisters and brothers in the Global South, whose struggles will be exacerbated by the pandemic.

From the bottom of my heart, I thank you for your solidarity, your commitment and your support in making Share Lent a success even in these extraordinary times.

Yours in solidarity,

Serge Langlois
