### Campsites

We have a few dots to connect before the campsites open, some of them have to wait until the ground thaws a bit and some is just paperwork that is out of our hands. But it's happening soon!!!!

### Run for the Trees

The Michigan DNR is sponsoring a virtual 5K run in the month of April at various parks in the state, but as it's virtual, one can do it anytime in April, anywhere. Information can be found at <Michigan.gov/DNRHappyLittleTrees> Entry fee is \$34, \$10 of which will go to planting Happy Little Trees in Michigan state parks. Participants will receive a t-shirt, a numbered bib and a medal!

## Christmas Party

We had a great time at the Holiday party! We joined forces with the KalVal Saddle Club and it was packed!! So much good food and new friends.
