Minnis Alderman blessed us with her music for 35 years. We are so grateful for her amazing talent that we enjoyed every week. Due to health issues she will no longer be providing music at Saturday evening mass. As a parish community we would like to show her how much we appreciate all her years of service. The parish would like to accept cards and monetary gifts to be presented to Minnis to help her offset travel to SLC for medical treatment. If you would like to contribute, please place a special intention envelope in the collection, checks made out to Minnis or stop by the office. We will be presenting her our appreciation soon.
