Through family centered and spirit-filled worship, education, outreach and generous service to the poor and homeless of our community, we are called to proclaim and live out the Gospel in our contemporary world.

April 5, 2020

Dear Parishioners and Friends of Our Lady of Guadalupe,

Today is Palm Sunday. It is the beginning of the holiest week of the year. Our Mass will be streamed live on Facebook (go to St. Jude Shrine, New Orleans) and you should be able to view Mass. We will also have Holy Thursday, Good Friday, Holy Saturday as well as Easter Sunday Mass streamed on Facebook.

We certainly will never forget this Lent. This epidemic has changed the very way we do things that we often took for granted. When I consider this Lent, I can't but help thinking that the cross and suffering has been the theme that runs throughout these 40 days. Although we have been going through our own Good Friday remember Easter will come for all of us. We must therefore not give up Hope in the Risen Lord who promises to raise us up from this virus.

Although we haven't had contact , I want you to know that every day I have you in my prayers. We are a family here at Our Lady of Guadalupe and each of you are very important to making us that family.

God bless and keep us all safe,

Fr. Tony

A Prayer Amid an Epidemic---by Kerry Weber

Jesus Christ, you traveled through towns and villages "curing every disease and illness." At your command, the sick were made well. Come to our aid now, in the midst of the global spread of the Coronavirus, that we may experience your healing love.

Heal those who are sick from the virus. May they regain their strength and health through quality medical care.

Heal us from our fear, which prevents nations from working together and neighbors from helping each other.

Jesus Christ, healer of all, stay by our side in this time of uncertainty and sorrow.

Be with the doctors, nurses, researchers and all medical professionals who seek to heal and help those affected and who put themselves at risk in the process.

Be with leaders of nations. Give them the foresight to act with charity and true concern for the well-being of the people they serve . Give them the wisdom to invest in long-term solutions that will help prevent future outbreaks.

Finally, stay with us as we endure and mourn, persist and prepare. In place of our anxiety give us your peace.

Jesus Christ, heal us.
