

Dear Faith, Formation / Kids - for kids

Receive / Greetings from / I and / my / entire / family.

How are you and your family?

I hope you are fine and healthy under God's protection, on my side. I am doing well for myself.

I thank God because now I can express myself in fluent English. I am academically doing well.

I am working hard in order to achieve my goals in life.

In our village the weather is hot and dry. This season we had not receive enough rain and more so we have drought in our area. This means we have no crops to harvest. I would like to know more about your country.

My family members and I are so thankful for your support because this is enabling me to continue with my studies smoothly.

I am also happy to receive your letters from you. On my birthday we did not celebrate but I had nice words from my mother wishing

me well. I am also happy to receive drawings &

painting from you. Thanks for being good to me

and I have also received several cards from

Faith Formation kids for kids, kindly fwd each

one of them on my behalf. I am very happy

Thanks for making me feel part of you

may God bless each of you in a big way.

Blessings

Worshipfully yours,
