As we edge ever closer to spring and (hopefully) more daylight and warmer temperatures, I hope each of you and your family & friends remain healthy and safe. With progress being made with development and availability of vaccines the prospects of returning to a more "normal" state of living seem to be becoming increasingly positive. Continued prayers will help!!!

The above schedule reflects inputs I received regarding preferences for the services from Palm Sunday to Easter. Thanks to all who responded. Please note there are a number of matters for Holy Week that are still being discussed between the diocese and the parish which may necessitate changes to this schedule. The number of people we will need for each service in the Triduum is one of those issues. This schedule continues with the one lector per service approach we've been following since the start of the COVID crisis. Should the outcome of these discussions require any changes I will let you know as soon as possible.

Thank you for your flexibility, understanding and commitment to the Lector Ministry!

Pace e bene.

Jim
