## RENEW & REBUILD UPDATE

Since the completion of the pledge portion of the campaign, approximately \$383,238 has been paid. There are however, a substantial number of pledges on which payments either are not being received on a timely basis, or no payment has been received at all. However, of 233 pledges, no payment has been made. Please insure that if you made and if your current situation is such that you can make payments on time, please do so.

## INCREASED GIVING

The only source of income for the parish is the generosity of each of the parishioners. The support of the ministries and activities throughout the year and the costs of maintaining the beauty of our Church and grounds are managed and made possible by these contributions. Over the past few months during this year, there has been a noticeable decline in the amounts collected during the Sunday Masses. While there is a constant and concerted effort to control costs and make the best use of the available funds, expenses associated with our utilities, our maintenance and our payments to the Archdiocese tend to increase, while our collections are either remaining the same or slightly declining. This pattern can be offset by small increases in the Sunday mass donations from everyone who is attending. With average attendance ranging from 750 to 1200 people, an increase as low as \$2 per person can have a significant and very positive effect, as we continue to strive to keep the parish of St. Joseph and St. Boniface, a Beacon of Light, Faith and Hope in this community. We truly have come this far by faith, supported by everyone's generosity. Thank you!

## HOUSEKEEPING REMINDER

As per the instruction of the pastor, all events and activities are to conclude at 10:00pm. This is for your safety and for the priest on duty to lock and inspect the parish and to secure it properly. If you use a classroom, please return the desks and other items to the way it was found as the P.R.E.P. Catechists use these rooms for the P.R.E.P. Program. Thank you for your kindness and consideration.

## PARISH SCHEDULE

All ministries are to turn in their schedules either via paper or e-mail ([vlombardo@stjosephspringvalley](mailto:vlombardo@stjosephspringvalley).) to be included in the parish scheduling book.

**EVERYDAY STEWARDSHIP**

"Lessons from Baptizing a Frog"

I used to lead an RCIA session on baptism, where I would bring in my Kermit the Frog toy from when I was a child and pretend to baptize it. It was a session I especially made sure I led when we had children preparing for Easter sacraments. You would think Kermit would have become super holy having been baptized so many times, year after year. But, if he had been real, he would not have been any holier due to multiple baptisms than he was after the first baptism. He couldn't be re-baptized.

When Jesus came to John for baptism, he transformed the baptism of repentance that John was practicing into a baptism of redemption. And although we are called to repentance over and over in our life, redemption comes to us only once. We cannot get baptized again in the Jordan or Sea of Galilee because of romantic notions, or come into the Catholic Church by a second baptism so we can start all over. Too many of us take that moment for granted. Yes, you may have been baptized as an infant. But much time has passed since then, and you can work to understand the impact that it had on your life. We sometimes look for a good time to begin living a stewardship way of life. However, that time already passed, and God has been waiting. We are called to reflect on our baptism and respond to the call it has placed on our lives. We can respond and be disciples, or we can be like Kermit the Frog, always searching for a new start that never comes.

**MEDITACIÓN**

La Navidad termina con la Fiesta en honor del Bautismo del Señor; es otra manifestación de Dios por medio de su Hijo. Ahora el profeta Isaías nos muestra al Siervo de Dios en quien se complace: "Miren a mi siervo, a quien sostengo, a mi elegido, en quien tengo mis complacencias. En él he puesto mi espíritu para que haga brillar la justicia sobre las naciones." No queda más que agradecer el inmenso amor de Dios por nosotros. ¿Como no apreciar el ser hijos/hijas de Dios por el bautismo? Desde que nos bautizaron, sea pequeño o grande, Dios espera que al menos estemos seguros de que tenemos un Padre amoroso y compasivo, que se alegra con nosotros. La lectura del Libro de los Hechos de los Apóstoles ayuda a comprender que "Dios no hace distinción de personas, sino que acepta al que... practica la justicia." Fijémonos en la humildad de Juan Bautista; el reconoció que su ministerio tenía que disminuir para que el ministerio de Jesús brillara y se expandiera. ¿Crees tú que los líderes actuales en las parroquias hacen lo mismo que Juan?

## LIVING THE LITURGY: INSPIRATION OF THE WEEK

The Baptism of Jesus is similar in purpose to our own. As Jesus was distinguished as the beloved Son in whom God is well pleased, so, too, are we. We share that same special favor with God and are brought into an intimate relationship with Him. Does this reality change how we feel about ourselves? It certainly does. Baptism forever changes us and calls us to the ministries of mercy and humility. God has formed each of us in our mother's womb and asks us to be a light for all people. We carry this light humbly as we know who ultimately has a claim on us and to whom we belong. We then are called to live our lives in imitation of Christ and become incarnate vessels of mercy. Our world needs to be touched by compassion and only we can complete the task.

## WHY DO WE DO THAT? QUESTION:

Why do Catholics baptize infants, while some other Christian denominations wait until adulthood?

## ANSWER:

To understand when we baptize, it's important to know what baptism is. Baptism removes original sin, and we are reborn into the family of God, adopted as His sons and daughters. We become joint heirs with Christ and sharers in his mission. Early on, baptism was given immediately upon

personal conversion, such as the three thousand baptized at Pentecost. Some Christian churches today emphasize baptism specifically as personal conversion. As such, they would not baptize young children who have not yet consciously chosen to follow Christ. As the Church slowly grew, whole households were baptized together upon the deep conversion of one of the leaders (Acts 16). From this evidence, we can surmise that may have included children who were just beginning to hear the Christian message.

This would not have been uncommon, especially for Jewish converts. Circumcision marked entrance into the Old Covenant for men. This occurred, without the express consent of the infants, to male children eight days after their birth.
