

FAITH FUSION

3RD-5TH GRADE

Hello parents! The aim of 3rd-5th grade faith formation is to make our young people more comfortable with prayer and teach them about the lives of the saints. We will be loosely following the Faith Fusion elementary curriculum. Jane Skinner (4th grader; member since 2018) and Jessica Whitehead (Preschool, Kinder, 4th & 6th grader; member since 2017) will be leading the class. Our hope is to bridge the gap between sacramental preparation and middle school faith formation. Please let us know if you would like to help teach a class or participate in another way.

We can be reached at whitehej@gmail.com and jnskinner@aol.com
