Dear Parishioners,

Greetings from Fr. Clarence

I wish you a Happy Easter

Easter is the most important day in all of Christianity. On that First Easter morning death was banished and Eternal life was secured by the Resurrection of Jesus Christ. If Easter had not happened, Christmas would be nothing more than a sweet-sounding fable. If Easter is not true, then Christmas is only the story of an obscure baby born in an out-of-the way town in a forgotten land 2000 years ago. It is the great miracle of Easter that gives Christmas its true meaning. So let us celebrate this Easter with Joy.

The resurrection is an invitation to receive what Christ has prepared for us. His offer of eternal life is a gift that must be received. Let us receive the invitation and have eternal life.

Let this pandemic banish during the Easter season and normal life be restored.

May this Holy Week strengthen our faith and the Risen Lord give us Hope, Peace and Joy.

May God Bless You all!

Yours in Christ,

Fr. Clarence
