Parent Involvement:

Parent involvement in our school is extremely important in providing additional support and building a strong community spirit at Kolbe's Korner. Therefore, families in our school are **required** to support the school. The Parent Board is designed as a support group for fundraising obligations. These efforts help offset operational expenses and promote continued parent involvement in the school. Tuition alone does not cover our total costs for providing a quality, Catholic education for our students. Therefore, we rely upon the time, talent and treasures of our parents. The following requirements are part of parent involvement.

Family Fundraising Obligation:

- **\$150 for families with one child**
- **\$200 for families with two or more children**
- **Commitment can be met by supporting our Fund Run Fundraiser held in the Spring, matching grant funds or direct donations.**
