

Our Lady of the Lake

The **Bicentennial Campaign** provides a historic opportunity for us to work together to realize our vision for a vibrant Catholic Church in the Diocese of Charleston. We are excited to share with you the opportunity this campaign provides our parish.

The mission of Our Lady of the Lake is to be a faith community giving witness to Jesus Christ through all of its ministries. With very active groups and ministries providing invaluable support to our parish and community, we need to ensure our parishioners have the necessary spaces and facilities to gather and congregate during and after the celebration of Mass.

Through the **Bicentennial Campaign**, Our Lady of the Lake will receive 50% of all funds raised to our target of \$680,000. After exceeding the target by 125% (or \$850,000), Our Lady of the Lake will keep 100% of any additional funds raised.

Please pray for our success!

OUR NEED

Our parish campaign target is \$680,000, which will provide us a minimum of \$340,000 to improve various areas of need around our parish. We will use our portion of the funds to renovate our family life center by upgrading our HVAC units, replacing the original carpeting with new flooring, and painting the exterior to properly seal the building. Once those projects are complete, the remainder will be used to improve other areas across our campus, such as enhancing the parking area, expanding the plaza to include a fountain, installing new campus signage, upgrading the outdoor lighting, and creating a more ADA accessible campus.
