

# St. Clement of Rome School

www.scrschool.org

Dear Parents,

This letter contains information and policies regarding St. Clement of Rome's after school athletic program. Also included is a permission slip and Code of Ethics which must be signed and returned. Please read all information carefully.

Our school participates in EJCSAC, East Jefferson Catholic School Athletic Conference. We compete in the following sports: girls volleyball, girls basketball, boys flag football, boys basketball and cross country. We also participate in the Metro Middle School League of New Orleans in the following sports: girls swimming, girls softball, boys swimming, boys baseball girls and boys soccer and bowling. In keeping with our school philosophy, all adults involved with our program strive to nurture every child to the best of our ability. Our goals for these student athletes are to participate whole-heartedly in practice and games, to strive to improve their individual athletic skills, and to act in a Christian way towards moderators, coaches, fellow teammates, and opponents at all times. Our intention is for every child to have a positive experience while participating on a team.

## ACADEMICS

To maintain eligibility, all students must maintain a "C" or above in every subject and conduct. If a student fails to maintain a "C" or above, he/she will be placed on a temporary suspension. If a grade is brought up to a "C" or above on the next progress report or report card, the student will be reinstated to the team. We at St. Clement feel strongly that academics should come first over any extra-curricular activities.

## PARTICIPATION

Student must be present in school to participate in an after school event on that day. All students are required to attend all practices and scheduled events. If for some reason a student is unable to attend a game or practice, he/she must inform their coach or Miss Milene Miranti as to why they are not participating. Missed practices and games could result in dismissal from the team. Band schedules and practice schedules are worked out between Mrs. Kessler and Miss Miranti. School activities take priority over non-school activities.

It is also important that you understand that you would be selected for this year only. You are not being guaranteed a spot on next year's roster.

## TRANSPORTATION

Due to the high cost of insurance, the school will not be providing transportation or assuming responsibility for transportation to and from after school activities. Please understand that it is the parent's responsibility to provide or make arrangements for the student's transportation to and from these events. Also please be considerate by picking up your children at the scheduled time after an event.

## SPORTSMANSHIP

All student athletes are accountable for their actions at practice and during games. Unsportsmanlike conduct will not be tolerated. You must follow the rules and directions of your coaches and work as a team. Consequences for unsportsmanship may result in sitting out a game or dismissal from the team. Please see Code of Ethics.

## PARENT'S RESPONSIBILITIES

It is the parents' responsibility to provide transportation to and from practices, games and meets. Parents must also show a Christian attitude toward coaches, moderators, players and opposing teams. We are relying on you to help set an example for our children. Please see Code of Ethics.

Milene Miranti

I have read all information above and agree to allow my child \_\_\_\_\_ to play \_\_\_\_\_ (sport) for St. Clement of Rome. I understand that the school provides supervision to the best of its ability. However, I understand that injuries can occur. In consideration for providing the opportunity to play \_\_\_\_\_ (sport), I/we hereby release the school, its employees, and volunteers from any liability for an injury that our child may sustain while participating as a member of the team.
