

We will once again be offering supply boxes for the 2020-2021 school year for Montessori students in Pre-K 3 through Kindergarten. Due to the specialized nature of these supplies, St. Anthony will provide the supplies and assess each child an annual fee of \$110 to cover the expenses. This also ensures that your child has the exact tools needed to succeed in the classroom!

Students are provided a bag and do not need a backpack.

**Cost: \$110 per child**
