

Jr. High & High School Choir

- Practicing for and Singing at the December 24th 3:00 p.m. Christmas Eve Mass.
- Open to young people in grades 7-12 enrolled in public, private, or home school.
- Registration to be turned into Mr. Cowen on or before Sunday October 10th.
- Family must be registered in St. Philip the Apostle parish.
- Must have all required forms on file by the deadline before participation can begin.
- Regular attendance and commitment to several practices is essential. Parental encouragement and reinforcement is critical to our success. If you commit, please follow through with that commitment, so we can depend on your involvement, and fulfill our group objectives.
- SAFE PARISH Compliant chaperones are required per diocesan child safety regulations. This means that at least one SAFE PARISH compliant parent be present for the rehearsal.
- There will be several rehearsals necessary to learn the music to be sung at the Mass. We will determine by consensus a calendar of Monday and/or Wednesday rehearsal dates/times.
- Communication with members primarily through email. All parents will be copied. Includes rehearsal reminders, schedule changes, and calendars attachments in .pdf formats. Please be courteous responding to the emails and addressing any conflicts in advance. Extensive planning is involved, and we can't plan well without effective two-way communication.
- We will observe any virus protection protocols required by the parish.

Note: This sheet is to be kept by the parent for reference. Please turn in the other two.

I have a mail drawer at the bottom of the stairwell in the undercroft.
