One Minute Meditations

St. Vincent de Paul was born in France in 1580. St. Vincent was born to peasant farmers, but his father, seeing his potential, made sure he received a good education. Vincent was ordained a priest, and served as chaplain to the countess of Gondi. Seeing the poor were spiritually neglected, he founded the Ladies of Charity and the Sisters of Charity to help. To reform the priesthood, he founded the Lazarites to train priests. He is the patron of charitable institutions.

Another reason to attend Sunday Mass: Masses have intentions for which the Mass is offered. By attending Mass, we help those people or causes - including the priest who offers the Mass.

Bless, don't curse:

When you are angry at someone else, don't judge or criticize. Instead offer a Prayer, a Rosary, or a Mass for his or her intention and ask God to bless you both. It's so much more effective.
