- Required upgrades to the heating and cooling system, electrical, and asbestos removal will be completed.

“It is our time to continue investing in our church home”

“Our church needs to be updated and modernized to make a good first impression, inviting, and welcoming”

“This is an opportunity for our parish to embrace this project and come together united as one”

## Fellowship Gathering Room

- A comfortable meeting space and gathering area for families to assemble during celebrations and funerals.
- An additional fellowship space for parish meetings, student classes, and prayer meetings.
- Seating to accommodate approximately 35 to 40 guests.

## Interior Narthex Addition

- A large and inviting entrance will be re-located

- to the southeast.
- This new entryway will accommodate larger gatherings for parish events.
- The parish offices along with a small conference room in the new addition will significantly improve the current work space for staff.
