

Month of *The Most Precious Blood of Our Lord*

Catholic doctrine teaches the faithful that the blood of Jesus Christ is part of His Sacred Humanity and hypostatically united to the Second Person of the Blessed Trinity. And as such, it is worthy of adoration and veneration proper to latreutical worship (*cultus latriae*) which is rendered only to God. In other words, we adore the human nature of Christ because of its intimate and eternal union with the Person of the Divine Word. It is for this same reason that we honor the Most Sacred Heart or the Wounds of Our Lord Jesus Christ.

In Our Thoughts and Prayers

Praying For The Sick of Our Parish Community:

Let us take 90 seconds out of our busy schedules and offer one Our Father, one Hail Mary, and one Glory Be for our parish family and all who need our prayers:

O Jesus, You suffered and died for us; You understood suffering; teach us to understand our suffering as You do; to bear it in union with You; to offer it with You to atone for our sins and to bring Your grace to souls in need. Calm our fears; increase our trust. May we gladly accept Your holy will and become more like You in trial. If it be Your will, restore to health the sick so that they may work for Your honor and glory and the salvation of all mankind. Amen.

Did You Know

Mary's Invitation to Pray the Rosary

Every time Mary appeared to the children, she asked them to pray the rosary. Why? The rosary is incredibly powerful. It has the power to bring peace. The power to heal. The power to make a difference in your life, the lives of your loved ones, and in the world.

The rosary settles our hearts and minds. We live hectic lives in a chaotic world, a world troubled by war, violence, and brokenness. Amidst the chaos and confusion, our souls yearn for peace and clarity. How does the rosary bring us that serenity?

- The rosary puts things in perspective and allows us to see things as they really are. It reaches deep down into our souls and puts us at ease, creating a peace that is rare and beautiful. It teaches us to slow down, calm down, let go, offer our struggles to God, and listen.

The rosary teaches us how to just be, and that is not a small or insignificant lesson. In some ways **it is the perfect prayer for busy people in a crazy, noisy, confused world.** **The rosary has the power to the impact the lives of o our loved ones, our communities, and our nation.** When we pray the rosary, we can bring our needs and struggles, and the needs of others, to Mary. She cares for us like a loving mother, and she wants to bring our troubles to her son, Jesus. What can we pray for?

- We can pray for the needs of our family and friends. We can pray for our communities, for our cities and neighborhoods, for our schools and churches, and for the hungry, lonely, and sick. We can pray for our nation, our leaders, and our troops.

Praying the rosary can bring peace to a troubled world, healing to broken hearts, and clarity to those in chaos. The impact the rosary can have is incredible. In fact, Mary even promised that the rosary could bring an end to war!
