

## **ICCS TEACHER/STAFF GIVING TREE!**

**\*You do not have to shop for your children's teacher for a Christmas gift!\***

**\*Appreciate them with a monetary donation to the ICCS Giving Tree!\***

Dear ICCS Parents,

The Giving Tree is our way of honoring our teachers and staff with a monetary gift for all their hard work and dedication. For many years, the Home and School Association has collected monetary donations from parents to give as a special Christmas appreciation for all staff of Immaculate Conception Catholic School.

This year, our ICCS staff has worked harder than ever! Between acting as both in-person and online teachers simultaneously, attending to our children in the classroom longer without switching rooms for extra-curricular subjects, staying diligent with social distancing not only of themselves but each student as well, and mask awareness – this staff has gone above and beyond in their efforts to guide our most precious gifts.

In the past, your generosity has been much appreciated with gifts to each staff member of more than \$100. Every little bit counts! Give as much or as little as you can afford. All contributions are equally divided among the ICCS staff and given to them at their annual Christmas Staff Luncheon. Participate in the joy of giving!

If you are interested in making a donation, please send with your student cash or check payable to ICCS in an envelope marked **"Giving Tree"** or donate online at <https://catholicschooldenton.org/giving-tree>. You can even earn volunteer hours with your contribution! Earn 1 hour for every \$25 donated.

The deadline to contribute is **Wednesday, December 9.**

Thank you and God Bless,

ICCS Home and School Association
