

St. Mary's Parish: A Roman Catholic Family of Faith, Love, and Service

ST. PETER'S RUN

INFORMATION and INSTRUCTIONS

OVERVIEW:

The St. Peter's Run volunteers provide approximately 160 lunches for distribution to needy families in our sister parish each Saturday between 11:00 am and 11:45 pm. Volunteers purchase bread, sandwich meat and cheese, snacks, assemble bag lunches, and then deliver and distribute them at St. Peter's Parish in Bridgeport. The children of St. Peter's Religious Education program will be served through this ministry. Any lunches which are not taken on Saturday mornings by Religious Education children will be distributed after Mass on Sunday to the parishioners.

SIGNING UP AND RESERVING A DATE:

Since the Run is a recurring weekly effort during the weeks of Religious Education, individuals/families and groups wishing to volunteer should first access the St. Mary's Parish website at <http://www.stmarysridgefield.org/> to identify the dates currently open to volunteers. You will find St. Peter's Run sign up information under the "PASTORAL CARE--St. Peter's-Our Sister Parish" tab. <http://stmarysridgefield.org/st-peters-run> Groups can select a date on the Parish website and coordinate the run responsibilities of shopping for food, preparation, delivery and distribution. The selection and reservation of all St. Peter's Run volunteer dates are accomplished via the website. Only a parishioner over the age of 18 can sign up to do a Run, but participants can be any age. Volunteers are reminded that it is Diocesan Policy that all adult parish volunteers be VIRTUS trained. You can sign up for VIRTUS training here:

IF YOU NEED TO CANCEL YOUR RESERVATION:

In the event circumstances prevent you from participating on a reserved date please advise Mary Staudt mtstaudt@gmail.com and go to the [sign-up genius](#) to change your date.

INCLEMENT WEATHER:

In the case of snow, the Run will be cancelled that week.

LUNCHEON PREPARATION: The Barn (small building to the right of the Church) will be available for groups to use to prepare the lunches, but if you would like to use your own kitchen that is fine as well. There is a key pad on the front door. The combination is 5678. The first closet in the main room, labeled "St. Peter's Run" (same combination) will have nonperishable supplies which you may use (baggies, paper bags, napkins, gloves, etc.) You may also leave extra supplies in the closet for other groups. **Please make sure all volunteers who are handling food wear gloves (they are in the closet).** Also clean and cover the tables in the barn with paper (there are rolls in closet) or a plastic table cloth. Please be sure to clean up after you are done preparing the food, and do not leave any crumbs or food in the Barn. There is a dumpster outside the Barn for your garbage. Thank you.

In order to ensure timely delivery to St. Peter's on Saturday morning, luncheon assembly should begin at 8:00 am (depending on your group size) with a goal of having the luncheons ready for delivery by 10:00-10:15 am. It takes about 40-45 minutes to get to St. Peter's, and it is important you arrive by 11:00, 11:15 the latest, as religion classes are dismissed at 11:30, and the children will come for their lunch immediately following class. In view of this, it is recommended that volunteers purchase all the necessary luncheon ingredients a day or two before the scheduled Saturday. Alternately, the lunches can be made Friday evening. If you do this, we suggest you refrigerate the sandwiches separately and place them in the bags the next morning. It is very hard to fit all 160 lunch bags in the

refrigerator!

SAMPLE LUNCHEON CHECKLIST:

While the actual composition of the luncheons is discretionary, ideally the meal should include a sandwich, fruit, and a snack. This year we are trying to have healthy snacks and be environmentally conscious (no bottled water). The following items and quantities for 160 bag luncheons is offered as a guide for your reference:

- 18 lbs. of luncheon meat: (Ham, Chicken, or Turkey) (approx 2 oz. per sandwich)—Ham seems to be most popular. I'd get 12 lbs of ham, 6 of turkey or chicken. (We recommend that sandwich bags are labeled Ham, or Turkey). At Costco, get 4 packages of the 3 lb Kirkland ham, 2 packages of turkey (6 lbs.) lbs of turkey. Recommended that you cut the ham in half and put 3 slices on each sandwich.
- 7 lbs of cheese: (American) (approx 0.5 oz / one slice per sandwich) If you buy at Costco, you can get 2 x 5lb sliced cheese bricks--do not get the singles, which have to be unwrapped--a big pain. You will have extra, so about 50 sandwiches can have 2 slices. OPTIONAL..Or you could make extra cheese sandwiches.
- 18 loaves of sliced bread (340 slices) At Costco, I get the whole grain bread. With 18 loaves you do not need to use the heels.
- 160 Healthy Snacks: (Individual Serving Size Bags of popcorn, raisins, goldfish, animal crackers, pretzels, bananas or other fruit.)
- 160 Plastic Sandwich Bags (these are available in the small kitchen—St. Peter's Run cabinet)
- 160 Brown Paper Bags (available in the small kitchen—St. Peter's Run cabinet)
- Napkins (available in the small kitchen in St. Peter's Run cabinet)
- Approximately 8 cardboard cartons (for luncheon transport). There usually are some in kitchen. Get some at Costco to supplement, and it would be great if you can return some to the barn!

Please allow approximately 7 man hrs. to compile 160 lunches. It should be noted that Costco offers one stop shopping for the above items at competitive prices. Costco also has boxes which can be used to transport lunches.

EXPENSES:

The cost of the lunches will likely be in the \$180 range. There is money in our Parish budget to fund the cost of the St. Peter's Run, however, if you/your ministry are able to cover part or all of the costs of your Saturday's meal as a further act of charity, we welcome your donation. If you wish to pay for the food, we can send you a donation letter for income tax purposes. Just send a request via email for the letter to Mary Staudt (mtstaudt@gmail.com). In order to obtain reimbursement for the food expenses, volunteers should send your receipts to Mary and she will submit your original receipts to the parish accountant for reimbursement. The following estimated ingredient costs are provided for your reference:
