Fresh Flower Bouquets

You pick the dates; we deliver the flowers.

Flowers have long been a traditional way of honoring a loved one's passing – both in the mourning process and the celebration of a life. TLC can help you with this by placing a beautiful arrangement of cut flowers at your loved one's site on the days that are meaningful to you throughout the year.

Please indicate below which holiday(s) you wish to have flowers placed. You may also specify a special date for any other remembrance, such as a birthday or anniversary. **The cost of each flower bouquet is \$60 which includes delivery, CT tax, and a photograph of the site when the flowers are placed.**

_____ Mother's Day	_____ Birthday	Month _____	Day: _____
