"Lent is a good time for sacrificing. Let us deny ourselves something every day to help others.”

–Pope Francis
First Sunday of Lent

March 1, 2020

The time of Lent
should not be faced with an old spirit,
as if it were a heavy and bothersome burden,
but with the new spirit
of one who has found in Jesus
and his paschal mystery
the meaning of life
and now feels that everything
must make reference to him.

- Pope Benedict XVI

RESPECT LIFE COMMITTEE
LENTEN PRO-LIFE PRAYER

Father of all mercy,
We thank you for this season of grace and light.
We know that sin has blinded us.
Draw us ever closer to you, in prayer and penance.
Since you, O God, are light itself,
Give all your people a clearer understanding
Of what is sin, and what is virtue.
Grant in particular that we may see, as never before,
The profound dignity of every human life,
Including the vulnerable unborn children.

Give us grace to defend
Our brothers and sisters in the womb
By our prayers, our words,
And our self-sacrificing actions.

We pray through Christ our Lord. Amen.

SIGN OF PEACE

During flu season, in addition to discontinuing Communion from the Chalice, we ask that the sign of peace be exchanged through a spoken greeting rather than physical contact. We urge all who feel sick or have flu symptoms to not come to Mass or any Parish events.

EMAILS and TEXTS from scammers posing as Msgr. Royal continue to be sent from time to time. Most ask recipients to purchase gift cards. If you receive any of these, please ignore and delete. Our system was not hacked; these emails and texts are sent from bogus email addresses and text numbers.

National Geographic Geography Bee

The National Geographic Bee is an annual competition organized by the National Geographic Society, designed to inspire and reward students' curiosity about the world. Students in grades four through eight (4-8) from 10,000 schools across the United States will compete in the 2018 National Geographic Bee for a chance to win college scholarships and the glory of being the National Geographic Bee Champion. Saint Mary students in Grades 4-8 competed. Congratulations to Grade 7 student Ryan McNicholas, who was the Saint Mary Winner, and Grade 7 student Mazie Pelusio, who came in second place. Michaela will now take an assessment to see if he will move on to the Connecticut State Geography Bee. Saint Mary School is currently accepting applications for the 2020-2021 school year. FAITH FORMATION CORNER

Prayer, Fasting, and Giving

Beware of practicing your righteousness before other people in order to be seen by them, for then you will have no reward from your Father who is in heaven...when you give to the needy, do not let your left hand know what your right hand is doing, so that your giving may be in secret...when you pray, go into your room and shut the door and pray to your Father who sees in secret. And your Father who sees in secret will reward you. (Mt. 6: 1, 3, 6, 17)

Sharing Our Faith
Join us for a Lenten Parish-wide Study

Join us for a captivating Bible study on Salvation

At every Sunday Mass, Catholics confess that Jesus came down from heaven “for us men and for our salvation.” But what does “salvation” mean? In this remarkable 10-part video series, Scripture scholar and theologian Michael Patrick Barber provides a thorough, deeply Catholic, and deeply biblical answer. Based on the best-selling book Salvation: What Every Catholic Should Know this video series is inspiring, engaging, and accessible to anyone.

Week 1

Not Self-Help

Jesus came to earth to save us! We affirm that truth every time we say the Nicene Creed at Mass: he came down from Heaven “for our salvation.” But what does that mean? In our first week, Dr. Michael Barber explains why every Catholic should understand the importance of salvation: not just for our eternal state, but for our lives here and now.

This week, go to FORMED and watch Lectio: Salvation Session 1.

Watch with your family or gather some friends and watch together! Enjoy it from the comforts of your own home.

We’ve provided you free access to this study through our Parish subscription to FORMED. Go to www.smcr.formed.org to access this study or sign up.
Make Your Lent Even More Meaningful this Year

The season of Lent offers us forty days to review our lives and focus on conversion and spiritual transformation. It is basically a spiritual "spring training"; a time when we go back to the basics of our faith formation through prayer, fasting, almsgiving and other penitential practices in order to improve and enhance our spiritual lives and prepare ourselves to more fully participate in the paschal mystery of Holy Week with a generous heart and renewed commitment to Christ. Consider some of the following ideas for making your Lenten season even more meaningful this year.

1. Identify some penitential practice you can realistically commit to every day. It’s easy to become distracted and suddenly discover that Lent is half over. A daily commitment will keep you focused. Mark it in your calendar today and be faithful to your commitment.

2. Make time in your daily schedule for private prayer, even if it is only ten minutes. Remember, improving our spiritual lives starts with prayer, and the silence of an empty room where we begin to listen to God is invaluable. Prayer requires reserving time for God.

3. Reduce your daily or weekly soft drink or alcohol intake as a spiritual discipline. Drink water and pray for those who lack access to a safe, reliable source of drinking water.

4. It’s become a cliché that people are addicted to communication technologies. “Give up” some of your “screen time” each day, whether it’s watching television, constantly checking your phone, or surfing the Web. Put the extra time to use: read a passage from Scripture, call or visit a lonely friend or relative, pray the Rosary.

5. Don’t shop for clothes during Lent. Stay out of every store except the supermarket and pharmacy, and don’t loiter at these places either. Reflect on what it is like for millions in the world who have little or no discretionary income.

6. Make an extra donation to the poor with the money you save.

7. Find a way to reduce your daily home energy consumption. With just five percent of the world’s population, people living in the U.S. consume 24% of its available energy. Make it a spiritual exercise.

8. Give up negative thinking. Work on a patient, positive attitude toward others. Catch yourself when you mentally berate someone and turn it into a prayer for that person.

9. Take Luke 3:11 seriously. Do you have extra clothes languishing in a closet? Take an afternoon to clean a closet, give a “tunic” or two to a good cause, and prayerfully reflect on how well you are using the world’s resources.

10. Pray with the Church. Attend an extra Mass during the week or participate in a devotion that inspires you.   International Catholic Stewardship Conference
