Behold your mother. John 19:27

Dear Saint Mary's Friends,

Mother's Day +1

I hope mothers in the Parish had a good Mother's Day in these unique times when you might not have been physically present with your family. Please know that you were lifted up in prayer by the clergy at our Masses and in our prayers. If Jesus could lift his mother up before the whole Church, we are in good company lifting you up to Him.

Restarting Public Mass!

Some happy news: We're discussing with the Bishop and other pastors when and how to start up Masses later in May. They'll be limited in attendance and restricted in practices by those who do attend. So stay tuned. Please be understanding of the practices that you'll be asked to follow, especially as we begin. Understand also, there will be bugs that will have to be worked out to make things as smooth as possible.

Mass Intentions & Cards

In these times of uncertainty, illness, death, and fear, please consider one beautiful way a Catholic can reach out to and prayerfully support someone, living or dead – Having a Mass said for them. You can call the office or send an email making that request. We will get you the card, which you can then send out to the person or family.

Parish Finances

I cannot thank enough those who continue to contribute their weekly offertory gift, and those who have made extra gifts. Your generosity has been a vital help to our Parish. And, as always, to those Parishioners who are unable to give at this moment due to loss of job, health, or any other reason, please be at peace and continue to pray for all of us. Related to this, please consider signing up for [Online Giving](#).

Health and Blessings,

Monsignor Royal
