

MALTA HOUSE

HOPE FOR LIFE

We are in high demand for volunteers in the Nursery, Garden, Cooking, and with our Community outreach.

Nursery support

If your gift is with infants and young children, the Malta House nursery will feel like home to you. Our babies come to the nursery as early as 6 weeks old and up to one year of age. Having a hand in molding a child's development is an awesome and exciting responsibility. The rewards abound. The head of our nursery provides guidance and training for all who lovingly embrace our babies, so one should not hesitate to "share the love". The nursery schedule is from Monday - Friday 7am - 7pm with a minimum requirement of 2 hours per week, but if you can offer more hours we would be more than happy to receive it.

Malta House beautiful Gardens

We are desperately in need of volunteers to help with weeding our gardens. Women's organizations, gardening clubs, or anyone with a green thumb please reach out.

Also looking to start a vegetable garden with lettuce, tomatoes, basil, etc. Looking for a self-starter with a team to teach our moms how to grow, care and maintain the fresh veggies!!

To volunteer please connect with Laila Bravo 203-857-0088 or complete the volunteer inquiry on the Malta House website, under volunteer opportunities!! Looking forward to hearing from you soon!!

Cooking in the Kitchen

If you like cooking family-style meals this is the place for you! In our new kitchen we want to offer our moms three hot meals everyday. Doing so will require lots of hands and we need you to fulfill this dream to model family style cooking and join them to one meal a day to set the example, teach them an important life skill, and create a family bonding opportunity to take with them when they become independent.

For those feeling a need to give back to the community, but cannot spare the time away from home, you may consider preparing a meal for our mothers! Dinner would be a wonderful gift after working or being in school all day. Nothing fancy – just a simple casserole and salad will more than fit the bill!

Community Outreach

Our Community Outreach program is an opportunity for us to support low-income Moms throughout Fairfield county. We need your help to spread the love by creating care packages with diapers, wipes and other donations we can offer. We also have many families that do not have a vehicle to collect the items they need. For this we will need transporters to help deliver their care packages. And for those that love to organize we need support throughout the week to help maintain the donation room.

Would you please join both our Facebook Groups? We have a [Malta Moms](#) group for our graduating moms that have become independent and our [Community Outreach](#) group that supports low income moms Fairfield County.

To volunteer please connect with Laila Bravo 203-857-0088 or complete the volunteer inquiry on the Malta House website, under volunteer opportunities!! Looking forward to hearing from you soon!!
