Message from the Principal

Dear Families,

Happy New Year to you and your loved ones. I pray you are all well and rested after a much-deserved break.

As we begin this new part of the school year, I want to take a moment to reflect on how far we have all come working together. I have witnessed such grit, determination, positivity, and faith in our community.

Welcome back!

Yours in Christ,
Ms. Sedano

STAR Testing

*A more detailed testing schedule will be provided by your child's homeroom teacher.

Make-ups:

Thursday, January 21

STAR Tests will be proctored to ensure that students are not using supplemental material or tools while taking the exams. This is a diagnostic- a type of progress check- to assess what your child knows now since the start of the school year.

Tips for Parents:

- Encourage your child to get 8+ hours of sleep
- Start your day peacefully
- Provide a healthy breakfast
- Gently remind your child to do their best
- Log in to class on time

This test does not go towards report card grades. We use the data collected to inform us on how we can best meet the needs of your child.

Let's work together to make your child's experience a positive and successful one!
