“Gather the Children in this wild country and teach them what they need to know for salvation.”

– Our Lady of Good Help to Adele Brise, 1859

Dear Parents,

We made it through another year of Faith Formation! All in all, it was a successful year amidst the challenges and changes we all faced. We really felt the blessings that came out of uniting the Brillion and Reedsville sites. Most importantly, the students loved meeting new friends. Forming friendships in grades 1-8 will serve them well as they enter into the high school program.

As we plan for fall, there are a few changes we'd like to communicate with you. Based on the feedback we received from the surveys, we are not continuing the online/digital component this year. Most families did not favor the online platform, and parents preferred using the Catechist Guide. With that, we will support parents who wish to teach their child(ren) at home by offering them to purchase a Catechist Guide (student workbook provided). Please contact us by the end of June if you'd like to explore this option. We will be placing our order for books by mid-July.

We invite all families with young children or grandchildren to consider registering in our Faith Formation program. Our program serves students in grades 1-11 and we offer Sacrament preparation for First Reconciliation and Communion, and Confirmation.

Praying for you,

Monika Behnke & Briana Jankowski
