

## *St. John Henry Newman Portraits of Christian Evangelists*

“He is not past, he is present now.” [St. John Henry Newman]

“To holy people the very name of Jesus is a name to feed upon, a name to transport. His name can raise the dead and transfigure and beautify the living.” [St. John Henry Newman]

John Henry Newman, a convert and a master of language and theological understanding, provided a message to the world of the strength and purpose of the Catholic Church. He understood how the message of Christ's love was most clearly given in the sacraments. His deep knowledge of theology provided a better understanding of Christ to those who practice and to those learning about the Catholic faith.
