

3rd Grade at a Glance

Dear Families,

We are off to a wonderful start in 3rd grade! The following is a brief outline of the curriculum that will be covered this school year.

- Religion** Our Religion series is *We Believe* by Sadlier. The emphasis in the Third grade is on the Seven Sacraments of the Catholic Church.
- Reading** Our Reading series is *Reading Street* by Scott Foresman. We will also be reading novels and short stories focusing on accuracy and fluency. In addition, we will work on building our vocabulary and improving our comprehension skills.
- Spelling** The Spelling workbook that we will be using this year is *Spelling Connections* by Zaner-Bloser. Students will take a pretest on Monday. Students whom receive less than 100% accuracy on the pretest will retake the test on Friday. Students whom obtain 100% accuracy on the pretest will be given challenge words to study. They will then be given the challenge test on Friday.
- Handwriting** We will use the Zaner-Bloser method of Handwriting. We will start the year refreshing our manuscript skills before moving into cursive writing.
- English** The English textbook is *Voyages in English* by Loyola Press. The students will compose various pieces of writing with a focus on grammar usage. Students will work on demonstrating effective communication through listening and speaking activities. We begin the year with a unit on sentences.
- Math** Our Math series is called *My Math* by McGraw-Hill. The first topic focuses on whole numbers, place value, decimals, and ordering numbers. We will also have basic fact tests throughout the year.
- Social Studies** The Social Studies series is *My World Interactive* by Pearson. We will be studying the regions of the United States.

Science In Science we will be using the Savvas Realize series titled *Elevate Science*. We will be studying weather, climate, and ecosystems among other fascinating topics.

Grading The following grading scale will be used in 3rd grade.

A+ = 100%	B+ = 89- 88%	C+ = 79-78%	D+ = 69-68%
A = 99-93%	B = 87-83%	C = 77-73%	D = 67-63%
A- = 92-90%	B- = 82- 80%	C- = 72-70%	D- = 62-60%
			F = 59% and below

Planner Your child will utilize his/her planner on a daily basis. Homework and test dates will be recorded in the planner as the assignments are assigned each day. Assignments should be checked off as they are completed. This makes it very easy for you to see what assignments still need to be completed each evening.

Late Assignments If a student does not turn in a completed assignment on the due date, it is considered “late”. Students will lose 10% of their score for each school day the assignment is late. If **one** problem/answer is left blank/forgotten anywhere on the assignment (beginning, middle, or end), it will be marked wrong with “L.B.” (Left Blank) written next to it. This is not considered a late assignment. However, if **more than one** problem/answer is left blank, the assignment will be considered late. **Late Assignment Notices** will be sent home in the Friday Folder for a parent signature. You may also be notified the same day via email. Please feel free to contact me anytime about your child’s homework, behavior, etc., because I will not be sending home Weekly Progress Reports, only Late Assignment Notices.

Weekly Updates Please look for the **Weekly Update** each week in your child’s Friday Folder. This update will give you information on what your child will be studying the following week in school. It will include dates of tests or quizzes, upcoming school events, and other important information.

I know that with your support this will be a successful school year for your child. If you have any questions about fourth grade, please feel free to contact me at school. Thank you for your support and cooperation.
