

# St. John the Evangelist Catholic School

513 Parkside Circle, Streamwood, IL 60107

March 3, 2020

Dear Parents and Guardians of St. John the Evangelist School,

**Spring Break Travel:** Thank you for everyone who completed the spring break travel questionnaire. Families who travel to orange states (see map link below) will need to quarantine for 10 days upon returning to Illinois. We will ask all families traveling to complete a date/location form the week before Spring Break so we can give official return dates. Students can participate in remote learning while in quarantine but teachers will not be preparing work ahead of time. It is your family's responsibility to get the work off of Google Classrooms or Seesaw. All work **MUST** be submitted the day your child returns to school. Teachers will not give any extensions for those who missed school due to travel quarantines.

**5Essential Survey:** Thank you for all the parents who have completed the survey. So far, we have about 45% of families who have participated. If you haven't completed it yet, please do so as soon as possible. We really want to hear your input.

**Give Back THURSDAY:** On Thursday, March 18th, we will be hosting an exciting Give Back Thursday for [Gigi's Playhouse](#). Gigi's Playhouse is a non-profit organization that's mission is to change the way the world views Down Syndrome and send a global message of acceptance for all. This year, we have a very special preschooler, Griffin, who has Down Syndrome. Our students have learned about acceptance and to embrace him. We are excited to be able to support this organization which is so important to Griffin and the Markel Family. We will be selling bracelets next week that the kids can wear the month of March to support Gigi's Playhouse. Additionally, we will be filling our windows with blue and yellow hearts and working with Gigi's Playhouse to educate our students. More information will be coming next week.
