### **MISSION STATEMENT**

We, at The Church of the Resurrection, are a Catholic community of people from all walks of life who foster acceptance, love, and the hope of resurrection. Our call is to nourish our love of God through Jesus Christ under the guidance of the Holy Spirit. Centered in the Eucharist, we are nurturing a faith community through education, prayer, worship and Christian fellowship. As stewards we receive God's gifts gratefully, cultivate them responsibly, and share them lovingly, thereby bringing Jesus into the daily lives of our brothers and sisters in Christ.

**MESSAGE FROM FATHER JOE:**

Here is a transcript of Jay Leno asking high school students geography questions. The answers are hilarious to say the least, and very sad too. The quotes are the words of the students. May the New Year 2020 be a blessed one for all of us.

If someone says they are going to Great Britain, what language do they speak when they get there?  
 "British?" They speak British... have you ever met anyone that speaks British? "No." Can you think of any word in British? "Umm... no..." No? Mini Cooper? "Oh yeah... Mini Cooper!" That's just a British word!

We are talking with.... "Tyler Qulet" If you met someone from Amsterdam, what nationality would they be? "Well... I have no idea... Amsterdamian?" Amsterdamian? They wear wooden shoes... who wear wooden shoes? "Um... cobblers." Cobblers? So they'd be cobblers?

We are talking with... "Lindsey Shanks" Lindsey, and you're in high school as well? "Yes sir!" What is the world's tallest mountain? "It's not Mt. Rushmore?" No... no... do you Ever-rest? "Do I what?" Ever-rest? "No" I... I am giving you the clue... "Oh... I really don't know." See, I asked you if you ever rest and you... "Oh, Mount Everest!" Everest, there you go.

We're talking with... "Isha Edvar" Isha... that's a pretty name. And you're a high school student? "Yes sir." What are people from Denmark called? "... You meet a bunch of people from Denmark. What are they? "I don't know... Denmardians?" Denmardians... "I don't know..." Denmardians... How many Great Lakes are there? "Oh... a... lot... like, a hundred something?" A hundred? "I could be wrong." Could you name all hundred? "No... (awkward laughter) I could be really wrong." Can you name one Great Lake? The... Great... Lake... The Great Lake.

We are talking with... "Nick" Nick, what do you do? "I go to high school." What high school? "In Roy City, Texas." And what do you want to do when you get out? "I would like to be a film director." A film director, Okay... You've heard of the English Channel? "Yes" It goes between which two countries? "France and England." England... now is there any way to get there besides by boat? "I think there's like a bridge... like a really long bridge and it goes under the water." So, a bridge that goes under the water would be called what? "An under water bridge?" How about a tunnel? "Oh... yeah, a tunnel."

We're talking with... "Kaitlyn Wilcox" Kaitlyn, you're from where? "Arkansas" Arkansas... Okay. How's the school system in Arkansas? "It's awesome." It's good. Let's see how good it is. How many oceans are there? "Oceans?" Yeah. "I've only been to one." You've been to one? Which one were you at? "In Florida?" Florida... which ocean did you go to in Florida? "Pacific Ocean!" You went to the Pacific Ocean? "Yeah..." In Florida... how was it? "It was good." Yeah... yeah... yeah... What is the largest country in South America? "In South America... Africa?" And where is Iraq? "I don't know... like south Europe or something?" South Europe? "I don't know..." Iraq is in south... so you go to Europe and you go south... "I don't know."

(To Nick) What country would you find the Panama Canal in? "The Panama Canal? Is there a country named Panama?" I don't know... is there? "NO! Oh, is it in the US? No?" Why do they call it the Panama Canal do you think? "Is there a guy named Panama that made it?" If you're going down to use the Panama Canal you are going from where to where? "One place to another?" One place to another!

Father Joe SDB

**STORIES ARE POWERFUL!!!** Let Abby tell you her story. "Unplanned" bring you an eye-opening look inside the abortion industry from a woman who was one its most passionate advocate. All Abby Johnson wanted to do was help women. Her passion surrounding a women's right to choose led her to become a spokesperson for Planned Parenthood and one of the youngest Planned Parenthood clinic directors in the nation. Until the day she saw something that changed everything! Come see one of two **Free Showings** of the movie at the Hastings Museum on their giant Lied Super Screen. Bring a friend! Sunday, January 12, at 2 PM and Sunday, January 19, at 2 PM. Doors open 15 minutes prior to showtime.

**READ!** We have come to realize that we as a family can't afford to skip our daily Rosary...and I am convinced that the world can't afford to have Catholics skip our daily Rosaries either. Here are 5 things daily Rosaries do: 1) Transform the world. 2) Transform families. 3) Strengthen us against sin. 4) Transform your life. 5) Transform your death.

**RETROUVAILLE:** Is your marriage going down the right road . . . or is it a little off track? Life can be difficult, and so can the challenges you face in marriage. Does the distance between you seem wide? Are you already separated? Looking for a better way? Retrouvaille can help and offers hope for a better relationship. Retrouvaille is a peer ministry of volunteer couples that can help you learn the tools of healthy communication, build intimacy and heal, just as they have done in their own marriages. Retrouvaille is Christian-based, and Catholic in origin, but welcomes couples of all faiths as well as non-religious couples. Retrouvaille can help get your relationship back on track. For more information about a Retrouvaille Weekend program. February 14-16 2020 to register call 1-800-470-2230 or [www.helpourmarriage.org](http://www.helpourmarriage.org), [www.retrouvaille.org](http://www.retrouvaille.org).
