THE BAPTISM OF THE LORD

A voice came from the heavens, saying, "This is my beloved Son, with whom I am well pleased." - Mt 3:17

MISSION STATEMENT

We, at The Church of the Resurrection, are a Catholic community of people from all walks of life who foster acceptance, love, and the hope of resurrection. Our call is to nourish our love of God through Jesus Christ under the guidance of the Holy Spirit. Centered in the Eucharist, we are nurturing a faith community through education, prayer, worship and Christian fellowship. As stewards we receive God's gifts gratefully, cultivate them responsibly, and share them lovingly, thereby bringing Jesus into the daily lives of our brothers and sisters in Christ.

MESSAGE FROM FATHER JOE:

A very pretty, expensively dressed lady came to her psychiatrist, saying that she felt unhappy and her life was empty and meaningless.

The psychiatrist called over the old lady who cleaned the office floors and then said to the rich lady: "I am going to ask Mary here to tell you how she found happiness. All I want you to do is listen to her."

So the old lady put down her broom, sat on a chair and told her story. "Well, my husband died of malaria and three months later my only son was killed by a car. I had nobody, I had nothing left. I couldn't sleep, I couldn't eat, I never smiled at anyone, I even thought of taking my own life. Then one evening one little kitten followed me home from work. Somehow I felt sorry for that kitten. It was cold outside, and so I decided to let the kitten in. I got it some milk and the kitten licked the plate clean. Then it purred and rubbed against my leg and, for the first time in months I smiled. Then I stopped to think, 'if helping a little kitten could make me smile, maybe doing something for people could make me happy'. So the next day I baked some biscuits and took them to a neighbor who was sick in bed. Every day I tried to do something nice for someone. It made me so happy to see them happy. Today, I don't know of anyone who eats and sleeps better than I do. I have found happiness by giving it to others."

When she heard that, the rich lady cried. She had everything that money could buy, but she had lost the things that money cannot buy. The beauty of life does not depend on how happy you are; but on how happy others can be because of you. Happiness is not a destination, it's a journey. Happiness is not tomorrow, it is now. Happiness is not a dependency, it is a decision. Happiness is what you are, not what you have!

Please enjoy true happiness in the week before you.

Father Joe SDB

PARISH NURSE NOTES: Advocacy is the act of speaking on behalf of, or in support of a person. The American Nurses Association believes that advocacy is a pillar of nursing. Every day nurses instinctively advocate for their patients. Nurses advocate by assisting a dying patient to talk to their family about their end of life wishes. Advocacy is supporting the persons wishes when they are in an unfamiliar healthcare setting or are too ill to speak for themselves. Many safety initiatives are started by nurses. Nurses work through legislature policy, making it a felony to assault a nurse in the line of duty. Nurses opened the door to work in their scope of practice in Assisted Living facilities just this year. Mandatory reporting is required of providers who fail to meet professional standards or if abuse and neglect is seen in any home or facility setting. Ultimately advocacy is not just limited to nurses, anyone can speak to all of these issues. It is about collaboration; it is about exploring alternatives and looking for best possible solutions. As an advocate if you see something, say something! Ref: Nebraska Nursing News Vol. 36/ Winter 2019
