MISSION STATEMENT

We, at The Church of the Resurrection, are a Catholic community of people from all walks of life who foster acceptance, love, and the hope of resurrection. Our call is to nourish our love of God through Jesus Christ under the guidance of the Holy Spirit. Centered in the Eucharist, we are nurturing a faith community through education, prayer, worship and Christian fellowship. As stewards we receive God's gifts gratefully, cultivate them responsibly, and share them lovingly, thereby bringing Jesus into the daily lives of our brothers and sisters in Christ.

MESSAGE FROM FATHER JOE:

Recently I came across a video clip in which a little boy asks the very interesting, simple question: what do you practise? Please find below the transcript of the video clip.

So my question to you today is, what do you practise... everyday? What do you practise? Because what you practise you will get good at. What do you practise?

Do you practise joy in your life? Do you practise peace in your life? Do you practise happiness in your life?

Or do you practise a lot of complaining? Because, if you complain you will get very good at it. And you will get so good at it, that you will find fault with everything! Even when there is no fault that a layman cannot see. You, being an expert, will see it!

What do you practise? Do you practise anger? Because if you practise anger, you will get very good at it. And you will get so good at it that the most trivial thing, trivial thing, will make you angry! Like sitting in an airplane, watching the seat across from you, somehow looks better, than the one you have been given... and that is so unfair of the airline!

What do you practise? Do you practise being worried? Because if you practise being worried, you will get very good at it. And you will get so good at it, everything will worry you! Including the buffalo you do not have!

So I propose, if this is true that it's a question of practice, then I propose that you practise... Joy!

May all of you be practitioners of joy in the week before you.

Father Joe SDB
