Dear Faith Formation Families,

I hope you are all doing well and staying healthy. Thank you for your understanding and support during this time. I have decided to go forward with registration by mail due to the uncertainty of the upcoming months. Schedules, class layouts and/or locations may need to be adjusted as the fall gets closer, but this way I will be sure to have updated information and know who plans to return. I will update you once any decisions are made as we approach the fall. I continue to be in contact with Father Mark, the Diocese of Norwich and other area parishes to plan for the future.

You should have a form for each child currently in the program. Please review the information, make any necessary changes, additions or requests, and sign the photo permission. If you are able to submit payment at this time please send it in with your registration. If you are currently experiencing financial difficulties please note on the form payment will be sent later. If you have a child entering pre-k, kindergarten or first grade that is new to the program please fill in a blank registration form found on the church website. Please mail your completed forms to the church using the above address (do not drop them off at the church).

Grades 5 – 8 will also need to select a first choice for class times to help us with planning purposes in case we are able to do in person classes as usual. You may request a classmate or a teacher and we will do our best to fulfill your request **as class sizes are limited**.

If you volunteer to help with the Faith Formation program (i.e., teacher, substitute, aide), tuition will be waived. If you are interested in volunteering please contact the office.

God bless you,

Karen Romegialli
