There is **More to Life**

For Men:
March 20–21

For Women:
April 17–18

WELCOME (formerly known as Christ Renews His Parish) has been a critical ministry at St. Francis de Sales for over 20 years. In that time, never has it been more needed than right now. The events of this year have severely tested us and made it easy for our faith to grow lukewarm. As a parish and as individuals, we need to be rejuvenated. We need a spiritual renewal. Attending a WELCOME weekend will be a good first step in that direction.

Come, and, for two days, relax, pray and rethink your priorities in the absence of the fear and stress that pervades our world and which pulls us away from God. Become refreshed in the goodness that only Christ can bring to our lives!

Many of us have been isolated for months. We are by nature social creatures whom God intended to be in relationship with each other. Our opportunities to live this have been restricted. Let this be a time to make new friends and rediscover your personal relationships with Christ and your neighbors.

***Note:**

Precautions consistent with current state-mandated COVID-19 safety requirements will be observed during the weekend. There will be no accommodations for staying overnight.

Please stay at home or, if from out of town, contact a Giving Team member for assistance finding accommodations. If you have any questions, please inquire to any Giving team member.
