# From the Pastor

Many of you can remember singing "This little light of mine, I'm gonna let it shine".

Back then, the greatest darkness most of us experienced was being grounded or having a pet die. But through the years, we have realized first-hand the power of all kinds of darkness that threatens to put out our light.

Few of us have ever taken our Lord's command seriously "To let your light shine so that others will see your good works and glorify God." We are all called to witness to the Light, show forth the Light, walk in the Light. However, that means walking into the darkness.

As we will seek to understand this Light, we realize the tremendous power it has to destroy the darkness around us.
