From the Pastor's Desk

People have a list for everything these days. Simple handwritten grocery lists have evolved into handheld personal assistants. Our days are diced into 15-minute sections, each prioritized and labeled for easy use. An efficient way to manage time, perhaps, but is it any way to live?

Take a minute and think about your own "to do" lists. Any entries labeled "Watch for Jesus' coming"? What about "Pray" or "Read God's Word"? Well, at least there's "Attend Mass", right?? Hmmmm....

According to our planners, we've deprioritized God. We've lost the spiritual hunger Andrew had as he searched for the Messiah. Pausing on the street corners of our lives, Jesus could walk past unrecognized while we're checking off another "done" item. And we're simply too tired to follow Jesus home if it means another commute back home. It's a sad state of affairs today when God goes begging for a single hour of the day He created.

This week let's stop time-managing and start living, for God and with God, every day and every hour.
