

# SCHOLA CANTORUM

## Music Ministry

There are many ways in our parish to praise God with your gift of music:

### Saint Vincent de Paul Schola Cantorum

A music training program in the European cathedral tradition for the youth and adults of the parish. The graded program forms singers for the lifelong praise and worship of God. The Ladies and Gentlemen of the Schola sing for Sunday Mass at 9:30 or 11:30. They rehearse on Wednesday nights at 7:00 in the parish office

### Ladies of the Schola

The ladies of the Schola meet to prepare SSA and SSAA arrangements of time honored polyphony and Gregorian Chant for Mass. The rehearsal schedule is yet to be determined.

### Cantor

Vocalists who are trained to lead the assembly in sung prayer for weekend Masses and special liturgies.

### Organ Keyboard

Trained organists and pianists who work with choirs and cantors to lead the assembly in song for weekend Masses and special liturgies.
